Billy Smart liked to draw and write stories. One day, at school, the teacher announced a contest for the best illustrated story. This was the chance Billy was waiting for to show everybody his talent. What will happen next? "Be Proud of Yourself" is a children's picture book that will teach one of the most important values in life: to love and be proud of what you do. Dedicated to all artists and writers, this book will inspire and bring about the best in all of us.

Everything needed--stuffing, thread, fur, eyes, tails, paws, patterns, and sewing instructions--is included in a kit to create a pair of soft velvet mice inspired by Aesop's fable. Crafter's Choice.

Part notebook, part ethical treatise, part fantasized autobiography, The Diary of Kaspar Hauser is a striking collection of forty or so haiku-like compositions, diary entries imagined to have been penned

by the "idiot" Kaspar Hauser and discovered, by chance, after his death by brutal murder, among the papers of his patron, Franz Paul Webern.

The impending disaster has thrown governments around the world into chaos, and the end as Dr. Shidou Yurizaki predicted it is fast approaching. Illegal coils, Collectors, Adrastea-everything will play a role in the upcoming plan!

In the context of increased movement across borders, this book examines how key cultural texts and concepts are transferred between nations and languages as well as across different media. The texts examined in this book are considered fundamental to their source culture and can also take on a particular relevance to other (target) cultures. The chapters investigate cultural transfers and differences realised through translation and reflect critically upon the implications of these with regard to matters of cultural identity. The book offers an important contribution to cultural approaches in translation studies, with ramifications across different disciplines, including literary studies, history, philosophy, and gender studies. The chapters offer a range of cultural and methodological frameworks and are written by scholars from a variety of language and cultural backgrounds, Western and Eastern.

A Companion to Translation Studies is the first work of its kind. It provides an authoritative guide to key approaches in translation studies. All of the essays are specially commissioned for this collection, and written by leading international experts in the field. The book is divided into nine specialist areas: culture, philosophy, linguistics, history, literary, gender, theatre and opera, screen, and politics. Contributors include Susan Bassnett, Gunilla Anderman and Christina Schäffner. Each chapter gives an in-depth account of theoretical concepts, issues and debates which define a field within translation studies, mapping out past trends and suggesting how research might develop in the future. In their general introduction the editors illustrate how translation studies has developed as a broad interdisciplinary field. Accompanied by an extensive bibliography, this book provides an ideal entry point for students and scholars exploring the multifaceted and fast-developing discipline of translation studies.

Gender in Translation is a broad-ranging, imaginative and lively look at feminist issues surrounding translation studies. Students and teachers of translation studies, linguistics, gender studies and women's studies will find this unprecedented work invaluable and thought-provoking reading. Sherry Simon argues that translation of feminist texts - with a view to promoting feminist perspectives - is a cultural intervention, seeking to create new cultural meanings and bring about social change. She takes a close look at specific issues which include: the history of feminist theories of language and translation studies; linguistic issues, including a critical examination of the work of Luce Irigaray; a look at women translators through history, from the Renaissance to the twentieth century; feminist translations of the Bible; an analysis of the ways in which French feminist texts such as De Beauvoir's *The Second Sex* have been translated into English.

Charlie has this little sister Lola. Lola's best friend Lotta has an extremely soft and VERY fluffy new coat, and Lola really wants to borrow it. Lola says, 'I will be especially VERY careful . . .' Look out for Look after YOUR planet and Please may I have SOME of yours? and It is extremely IMPORTANT to do drawing and sticking 'An irresistibly comic duo' - Sunday Telegraph 'Wildly imaginative' - Guardian

Explores the problems of translating literature through both theoretical approaches and practical case studies.
