as his first client. Now in paperback. Twelve-year-old Mikey Pruitt is a budding entrepreneur. Inspired by his grandfather Pap Pruitt, who successfully ran all sorts of businesses, Mikey is still looking for his million-dollar idea. Unfortunately, most of his ideas--from a roadside general store to croquet lessons--haven't taken off. It isn't until kid drag queen Coco Caliente, Mistress of Madness and Mayhem (aka eighth grader Julian Vasquez) walks into his office (aka his family's storage/laundry room) looking for a talent agent that Mikey thinks he's finally found a business that will put him on the map, and the Anything Talent and Pizzazz Agency is born! Soon, Mikey has a whole roster of kid clients looking to hit it big or at least win the middle school talent show's hundred-dollar prize. As newly out Mikey prepares Julian for the gig of a lifetime, he realizes there's no rulebook for being gay--and if Julian can be openly gay at school, maybe Mikey can, too, and tell his crush, the dreamy Colton Sanford, how he feels. Full of laughs, sass, and hijinks, this hilarious, heartfelt story shows that with a little effort and a lot of love, anything is possible.

BEST OF TIMES gives kids an intuitive understanding of multiplication, encouraging them to arrive at answers on their own rather than memorizing the times tables. A child who can multiply by two, for instance, can multiply by four and even eight! Likewise, times six builds on times two and times three. With his common-sense approach, Greg Tang encourages kids to solve problems creatively, building both their skills and their confidence.
