If you want a holiday that's hassle-free, virtually pre-paid, and that lets you see lots of places while only needing to pack and unpack once, then you should try a cruise. This best-selling book is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise holiday and how to find it; the lively text and colour photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience and how to save money. The second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment and facilities, using an internationally recognised ratings system.

Shows and describes some contemporary kitchens, and offers advice on selecting cabinets, countertops, sinks, ranges, cooktops, ovens, refrigerators, and dishwashers.
