it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waivered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will

From the glittering ballrooms of 17th Century England to the dangerous intrigues of the French court, Laura L. Sullivan brings an unlikely heroine to the page, turning on its head everything we've been told about The Three Musketeers and their ultimate rival. I've gone by many names, though you most likely know me as Milady de Winter: Villainess. Seductress. A secondary player in someone else's tale. It's finally time I tell my own story. The truth isn't tidy or convenient, but it's certainly more interesting. Before you cast judgment, let me start at the beginning, and you shall learn how an innocent girl from the countryside became the most feared woman in all of Europe. Because we all
