It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by Cityteam disciple-makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, contagious disciple-making takes time to cultivate spiritual leadership, resulting in lasting disciple-making movements. Through *Contagious Disciple Making* readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field Practical techniques to equip others to make disciples

A Practical Guide to Bible-Centered Ministry Among Women The Bible is clear that women as well as men are created in God's image and intended to serve him with their lives. But what does this look like for women in the church? Helping church leaders think through what a Bible-centered women's ministry looks like, this collection of essays by respected Bible teachers and authors such as Gloria Furman, Nancy Guthrie, and Susan Hunt addresses a variety of topics relevant to women. Whether exploring the importance of intergenerational relationships, the Bible's teaching on sexuality, or women's roles in the church and the home, this book of wise teaching and practical instruction will become a must-have resource for anyone interested in bolstering the health and vitality of the local church.

David Garrison, PhD University of Chicago, defines Church Planting Movements as rapidly multiplying indigenous churches planting churches that sweep across a people group or population segment. Garrison's *Church Planting Movements: How God Is Redeeming a Lost World* signaled a breakthrough in missionary church planting. After the publication of Garrison's book in 2004 it became impossible to talk about missions without referencing Church Planting Movements. *Church Planting Movements* examines more than two-dozen movements of multiplying churches on five continents. After presenting these case studies, Garrison identifies ten universal elements present in each movement. He then broadens the circle of examination to identify a further ten common characteristics, factors identified in most, but not all, of the movements. He concludes his examination with a list of "Seven Deadly Sins," i.e. harmful practices that stifle or impede Church Planting Movements. Important for evangelical readers, the author returns to his findings to see how they stand up to the light of Scripture. What he discovers is that Church Planting Movements are much more consistent with the New Testament lay-led house-church movements that swept rapidly through the Mediterranean world in the face of hostile opposition than today's more sedentary professional institutionalized Christianity. A new edition of the groundbreaking spiritual treasure, with a foreword by bestselling author Marianne Williamson. Since its original publication in 1949, *In Search of the Miraculous* has been hailed as the most valuable and reliable documentation of G. I. Gurdjieff's thoughts and universal view. This historic and influential work is considered by many to be a primer of mystical thought as expressed through the Work, a combination of Eastern philosophies that had for centuries been passed on orally from teacher to student. Gurdjieff's goal, to introduce the Work to the West, attracted many students, among them Ouspensky, an established mathematician, journalist, and, with the publication of *In Search of the Miraculous*, an eloquent and persuasive proselyte. Ouspensky describes Gurdjieff's teachings in fascinating and accessible detail, providing what has proven to be a stellar introduction to the universal view of both student and teacher. It goes without saying that *In Search of the Miraculous* has inspired great thinkers and writers of ensuing spiritual movements, including Marianne Williamson, the highly acclaimed author of *A Return to Love and Illuminata*. In a new and never-before-published foreword, Williamson shares the influence of Ouspensky's book and Gurdjieff's teachings on the New Thought movement and her own life, providing a contemporary look at an already timeless classic.

What would cause Experience Life Church, frequently named one of the fastest-growing churches in the country, to completely change directions? Why would they risk an attendance drop and a decrease in giving in pursuit of a vision that has seldom been attempted in the American church? The leaders of Experience Life knew this journey would be risky and calculated the costs before ever beginning. They believed that following Jesus and aiming to reach millions was worth any cost. Be careful with this book. It might inspire you to risk everything you have to follow Jesus. You've been warned.
