The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition.

Today 's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post 's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what 's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it 's a handshake, a hug, or a friend request, it 's the underlying sincerity and good intentions behind any action that matter most.

"A reign of violence and intimidation, including arson, bombings, rape, assault and even murder, was unleashed against environmental activists and government employees by proponents of the so-called 'Wise-Use' movement. David Helvarg, in *The War Against the Greens*, ripped the veneer of legitimacy off this right-wing backlash that stretched from armed militias to the halls of Congress, exposing the public lands corporations, political operatives and fringe groups who set out to destroy American's environmental protections by any means necessary. In this new edition, Helvarg finds that George W. Bush has opened wide the doors of his administration to these same individuals and industries who are now getting rich off the looting of our public lands. This must reading for anyone who cares about the environment and the public's right to know."--
