Next Year I'll Be Perfect by Laura Kilmartin, Paperback ...

Laura Kilmartin's, Next Year I'll Be Perfect, is a hilarious, fast-paced novel that fits nicely into the Chick Lit genre. At the age of 29 Sarah is a lawyer with a small, tight-knit group of friends. Livvie is her partner in crime while Sarah's 'brothers' David and Eddie are her go-to boys whom she leans on for advice, venting, and encouragement.

Laura Kilmartin knows how to write a fun story, and Next Year I'll Be Perfect is living proof. It was very entertaining and I couldn't wait to see if things would come together for Sarah. Her anxieties are so common amongst women in their 20s and 30s, that I think a lot of readers could relate to her.

Sarah always thought her life was on track until her 29th birthday. She discovers a list compiled by her younger self outlining what she wanted to achieve by the age of 30 and it turns her world upside down.

Jennifer Rose is autistic. She's also a college student who loves reading, writes fan fiction, and wants

to be on TV someday. She sees the world a little differently than most people around her. She's had trouble coping with school and she's struggled with bullies, mean girls, and her own feelings of bitterness and inferiority. Through it all, with the help of her parents, she's learned a few lessons: #5: There are many ways to make a difference. #20: You won't be perfect at everything, not even the things you do best. #22: Down times will be bouncing up soon . . . #23: . . . but meanwhile, try to enjoy what you have. #44: Talk about your feelings, even when it's hard. #45: Learn to take jokes, even your dad's. It's Not a Perfect World but I'll Take It is an uplifting ode to being different. Told with irresistible honesty and humor, Rose's fifty bite-sized stories will have teens and adults nodding in recognition and discovering new things about themselves.

Sarah always thought her life was on track, that is until her 29th birthday party. The discovery of a list her younger self put together outlining what she wanted to achieve by the age of 30 turns Sarah's world upside down. Suddenly her seemingly happy life and career look lackluster and Sarah sets off on a journey to transform her life. On her quest to achieve perfection one month at a time - a happy marriage, partnership in a law firm and being able to fit in a size six purple suede miniskirt - Sarah learns to challenge society's ideals of achievement. Filled with harsh reality, humor, and romance, Next Year I'll Be Perfect explores what true happiness and success is all about.

This autobiography of one of baseball's most outstanding and controversial personalities features uncensored views on salaries, agents, pitching, life on the road, and the pressures of winning and losing

"Reading Ruth Reichl on food is almost as good as eating it," The Washington Post Book World once declared. If that's the case, then this eBook bundle is a nonfiction feast. With a résumé that includes such posts as editor in chief of Gourmet magazine and restaurant critic for The New York Times and Los Angeles Times, Reichl has elevated the food memoir into an art form with stories that overflow with love, life, humor, and—of course—marvelous meals. TENDER AT THE BONE Growing Up at the Table "An absolute delight to read . . . How lucky we are that [Reichl] had the courage to follow her appetite."—Newsday At an early age, Ruth Reichl discovered that "food could be a way of making sense of the world." Beginning with her mother, the notorious food-poisoner known as the Queen of Mold, Reichl introduces us to the fascinating characters who shaped her world and tastes, from the gourmand Monsieur du Croix, who served Reichl her first foie gras, to those at her table in Berkeley who championed the organic food revolution in the 1970s. Spiced with Reichl's infectious humor and sprinkled with her favorite recipes, Tender at the Bone is a witty and compelling chronicle of a culinary sensualist's coming-of-age. COMFORT ME WITH APPLES More Adventures at the Table "Reichl writes with gusto, and her story has all the ingredients of a modern fairy tale: hard work, weird food, and endless curiosity."—The New Yorker Comfort Me with Apples picks up Reichl's story in 1978, when she puts down her chef's toque and embarks on a career as a restaurant critic. Her pursuit of good food and good company leads her to New York and China, France and Los Angeles, and her stories of cooking and dining with world-famous chefs range from the madcap to the sublime. Through it all, Reichl makes each and every course a hilarious and instructive occasion for novices and experts alike, told in a style so honest and warm that readers will feel they are enjoying a conversation over a meal with a friend. Praise for Tender at the Bone "While all good food writers are humorous . . . few are so riotously, effortlessly entertaining as Ruth Reichl."—The New York Times Book Review "A poignant, yet hilarious, collection of stories about people [Reichl] has known and loved, and who, knowingly or unknowingly, steered her on the path to fulfill her destiny as one of the world's leading food writers."—Chicago Sun-Times Praise for Comfort Me with Apples "Magnificent . . . an extended, lilting song about lovesickness and the restorative succor of good food. [Grade:] A"—Entertainment Weekly "Compelling . . . The book's charm emerges from Reichl's writing, her observations and her amazing ability to capture people in a few memorable sentences. . . . You just have to read it."—USA Today

Depraetere and Langford, with 40 years of teaching experience between them, present a grammar pitched precisely at advanced learners of English who need to understand how the English language really works without getting lost in the specifics. Most linguistically-oriented grammars of English can be intimidating and complex. On the other hand, the more basic practical grammars also available are often not advanced enough. This book pulls from linguistic theory all the relevant notions that will enable the language student to fully grasp English grammar. After introducing form and function, the authors cover verbs, nouns, aspect and tense, modality and discourse. Readers are led through the underlying principles of language use, with the book presupposing only a basic grasp of linguistic terminology. It does not get bogged down in huge amounts of detail and focuses on the crucial issues. Full of exercises and with attention paid to moving the reader through their course, this is the desk reference grammar of choice for both native and non-native English speakers.

Don't miss the exhilarating new novel from the author of Fat Girl on a Plane, featuring a fierce, bold heroine who will fight for her family and do whatever it takes to survive. Fans of Susan Beth Pfeffer's Life As We Knew It series and Rick Yancey's The 5th Wave series will cheer for this fast-paced, near-future thrill ride. If you're going through hell...keep going. Seventeen-year-old coder Jinx Marshall grew up spending weekends drilling with her paranoid dad for a doomsday she's sure will never come. She's an expert on self-heating meal rations, Krav Maga and extracting water from a barrel cactus. Now that her parents are divorced, she's ready to relax. Her big plans include making it to level 99 in her favorite MMORPG and spending the weekend with her new hunky stepbrother, Toby. But all that disaster training

comes in handy when an explosion traps her in a burning building. Stuck leading her headstrong stepsister, MacKenna, and her precocious little brother, Charles, to safety, Jinx gets them out alive only to discover the explosion is part of a pattern of violence erupting all over the country. Even worse, Jinx's dad stands accused of triggering the chaos. In a desperate attempt to evade paramilitary forces and vigilantes, Jinx and her siblings find Toby and make a break for Mexico. With seemingly the whole world working against them, they've got to get along and search for the truth about the attacks—and about each other. But if they can survive, will there be anything left worth surviving for?

'A wonderful, magical storyteller' Cathy Kelly. Perfect for fans of Maeve Binchy, a heartwarming novel of love, friendship and coming home from the Irish bestseller... When actress Jodi Ludlum returns to the Dublin village of Bakers Valley to raise her young son, she's determined to shield him from the media glare that follows her in LA. But coming home means leaving her husband behind - and waking old ghosts... Francine Hennessy was born and raised in Bakers Valley. To all appearances, she is the model wife, mother, home-maker and career woman. But, behind closed doors, Francine's life is crumbling around her. As Jodi struggles to conceal her secrets and Francine faces some shocking news, the two become unlikely confidants. Suddenly having the perfect life seems less important than finding friendship, and the perfect place to belong...

A dead Baron. A missing emerald. And way too many suspects. Amateur sleuth Molly Sutton has her hands full this time! Shut out of Castillac's latest murder case and running out of money, she's praying for a brilliant scheme or at least some dumb luck to strike. Believing good food can be the solution to almost any problem, she comes up with a culinary idea designed to stave off financial disaster—and finds that even a perfect meal can end up a flop. As for the poor late Baron, once Molly manages to get inside the Château, she quickly pokes her nose where it doesn't belong. But looking for clues and uncovering secrets is a risky business, and this time Molly ends up with her own life in danger. The Château Murder is the fifth book in the Molly Sutton Mystery series. If you like page-turning mysteries that keep you guessing, a small town setting filled with characters you'll feel like you know, and pastry galore, you'll love Nell Goddin's latest cozy with a dash of psychological intrigue. Put the puzzle pieces together along with Molly and see if you can guess who killed Baron Marcel de Fleuray!
