The Nine Eyes of Light is an exploration into multidimensional being. This is the light-body guidebook for the spiritual traveler. The Nine Eyes, also known as Ascension Keys, are the nine levels of consciousness that served as the foundation for Egypt's awakened civilization. Deeply relevant for navigating our tumultuous times today, these multidimensional perspectives, or lightbodies, reveal how to further understand and develop our consciousness. In practice, many of us are using some of these bodies already, but not all of them, because we have lost sight of our higher potential. These other bodies, says Prakasha, allow us to sense, navigate, and unify all parts of our human and divine selves. The book shows readers how to experience the universal bodies of light; how to access hidden wisdom about Anubis, a pre-Christ figure and original Sphinx; and how to open and purify the heart through the 42 Laws of Harmony, or Maat. Chapters include teachings on the science of vibration, sound, and perception; willpower, bliss, and the fuel for love; god consciousness; the shadow as a gateway to source, and much more. The Nine Eyes unite the mind, body, and spirit in loving wisdom and power.

Experience the orgasmic rapture of Sacred Union with your Twin Soul and the Divine 𐀀 Includes practices in sacred sexuality, emotional intimacy, and soul awareness to awaken the Love, Power, and Wisdom of your soul, attract your Twin Soul, and satisfy your soul's longing to reunite with God 𐀀 Draws on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery schools, and Christ Consciousness 𐀀 Offers examples of Sacred Union, including Jesus and Mary Magdalene and Rumi and Shams as well as experiences of modern couples Jesus and Mary Magdalene, Rumi and Shams, King Solomon and the Queen of Sheba, Isis and Osiris--in these sacred unions we recognize the merging not only of Twin Souls but also of these lovers with the Divine. In Sacred Sexual Union, Anaiya Sophia shows this Holy Marriage, complete reunification with your Twin Soul and God, is not a secret reserved for the initiated or a tradition lost to the ages. It is a potent, living spiritual path enabling two beloveds to experience the primordial state of creation as one soul blessed by the Divine Light and Love of their Creator. Drawing on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery Schools, and Christ Consciousness, the author reveals the complete alchemical process of Sacred Union. She provides physical, meditative, and psychological practices that combine sacred sexuality, emotional intimacy, and transparent soul awareness to awaken the magnetic energies of your soul, draw your Twin Soul to you, and with Twin Souls reunited, experience the passionate rapturous remembrance of becoming one with God. She explores ancient writings and rituals of Sacred Union--known as Hieros Gamos in ancient Sumeria, Sacred Marriage in the Kabbalah, Yab Yum in Tibetan Buddhism, and the Bridal Chamber in Gnostic Christianity--and offers examples of Sacred Union throughout the ages, including experiences from her own spiritual journey. More than a meditative or yogic practice, Sacred Sexual Union offers a transformative spiritual path to embrace the threefold flame of Power, Love, and Wisdom and satisfy your soul's longing for wholeness and reunion with the Divine.

What is love...and what is it not? Why is love the most misused word on this planet? Is love meant to hurt? Is there a map to love that I can follow? The Pathway to God s Divine Love, the simplest pathway on earth, has been obscured by our own forgetting of who God is. Dimensions of Love: 7 Steps to God contains new and sometimes radical truths for the soul, in a simple, poignant and profound way. Soulful and insightful, it contains a message of beauty that cannot be missed.

Tools to awaken the creative powers of the womb 𐀀 Contains exercises to open the womb's energetic pathways, release toxic emotions, and harness creative potential 𐀀 Reveals how the womb's energies are crucial for the spiritual shift of 2012: birthing a new civilization 𐀀 Shows how the awakened womb can also bring about male spiritual transformation In the past and in present-day indigenous traditions, women have known that the womb houses the greatest power a woman possesses: the power to create on all levels. Utilized in the process of giving birth, this power of creation can also be tapped in the birth of projects, careers, personal healing, spirituality, and relationships. However, because the womb stores the energetic imprint of every intimate encounter--loving or not--the creative voice of the womb is often muffled or absent altogether, affecting the emotional, mental, and spiritual health of women and their relationships. Drawing on sacred traditions from ancient India, Tibet, Egypt, Gnostic Christianity, and Judaism, the practice of Womb Wisdom empowers women to become aware of the intuitive voice of the womb outside of pregnancy and the moon cycle to unlock this potent inner source for creativity, birthing the new conscious children, spiritual growth, and transformation not only for themselves but also for their male partners. The authors include exercises to clear the past, release toxic emotions, open the womb's energetic pathways, activate the sacred sensual self, bring balance to relationships, and harness creative potential. Including intimate, individual stories of women experiencing the opening of the womb, this book also explores the forgotten sacred sites of the womb around the world as well as how the womb's energies are crucial to birth a new civilization in the spiritual shift of 2012.

This volume represents the wisdom of the ascended masters condensed into concise keys that serve as a spiritual guide. There are 420 golden keys that present the multitude of methods, techniques, affirmations, prayers, and insights Dr. Stone has gleaned from his own background in psychology and life conditions and his thorough research of all the ancient and contemporary classics that speak of the path to God realization. The teachings of Sai Baba and other ascended masters are at the core of these keys, and the author has also drawn up on various spiritual scriptures such as the Bhagavad-Gita and the Bible. Especially valuable are practical methods to support the ascension process, such as journal writing and spiritual logs, as well as meditations and prayers.

Known and feared as the goddess of war and destruction, she also represents the transformative power of kundalini energy, or sekhem, and is the main goddess to harness this power for healing. As 𐀀She Who Comes in Times of Chaos,𐀀 she takes offerings of fear, rage, and weakness and transforms them into alchemical gold, the universal medicine for physical, emotional, and soul healing. In this book you are guided through a shamanic ritual of alchemical transformation and initiation with Sekhmet, working with this powerful goddess to release your most deeply rooted negative behavior patterns and be reborn into a more purified state of consciousness. Using intensive self-examination exercises to help you prepare to meet the goddess, the author leads you through a guided visualization, illustrated with photographs, to an ancient statue of Sekhmet in her chapel at the Temple of Karnak. There, you will be shamanistically devoured by the goddess, directly experiencing the alchemical process of transformation in the belly of Sekhmet until you are rebirthed as a fully realized adult child of the goddess. You will experience how your offering of pain, fear, rage, and self-sabotage is digested, absorbed, and assimilated by Sekhmet while you are initiated into the alchemy of total transformation. The initiations, rites of passage, and transmissions from Sekhmet included in the journey restructure the most important aspects of your body, mind, spirit, and soul. This journey of shamanic death, illumination, and rebirth in the belly of Sekhmet provides an opportunity to heal on all levels and allows you to release your rage, anger, and fear as you transform the energies that maintained them into creative and constructive solutions that benefit yourself, your community, and the planet.

Transformational wisdom designed for both women and men to access and enhance the inner power of the Divine 𐀀 Reveals how to activate your sacred sexual self and find your soul mission 𐀀 Shows how to access the wisdom of the Galactic Center 𐀀 Explains why men need the Shakti Circuit to connect with the Divine Masculine Shakti is the Divine life force that ceaselessly manifests, creates, and activates. Igniting this living power within is the key for both men and women to transform themselves and attain union, harmony, and peace. The fluid intelligence of Shakti enflames, empowers, and awakens, igniting life force, joy, and organic wisdom within. Uniting the forms of Tantra Yoga found in Indian, Tibetan, and Aramaic sacred traditions, Padma Aon Prakasha reveals how to activate the power of Shakti by opening the 18 energetic pathways of the Shakti Circuit. The Circuit begins with galactic energy entering the body at the Alta Major chakra, located at the back of the head. Traveling down the pillar of the spine through the root chakra, the Circuit passes through the Seven Gates of the Womb-Grail to link the sacred sexual center and the heart center. From the heart, the energy completes the Circuit by traveling to the third eye and back to the Alta Major starting point to reveal the All-seeing eye. Centered on the womb in women and the hara in men, the Shakti Circuit links the soul, body-mind, emotions, and chakras to the power and loving wisdom of the Galactic Center. The Power of Shakti includes the insights and experiences of both men and women as they activate the power of Shakti and shows that clearing all 18 pathways of the Shakti Circuit enables us to activate our sacred sexual self and find our soul mission.
