Ant Anstead's
Building a Special
brings the Haynes
story full circle,

Where To Download

Coming 61 years after the original Building a 750 Special was written by John Haynes, Haynes Publishing's founder, when he was still a schoolboy. This book is a TV tie-in, following the 12-part TV series Ant Anstead Master Mechanic, aired on Motor Trend, part of

Workshop Repair 2007 2013

Contrary to popular
belief, the capture of
India was not
accomplished by the
British Army, but by
the private armies of
the East India
Company, which grew

in size to become larger than that of any European sovereign state. This is the history of its army, examining the many conflicts they fought, their equipment and training, with its regiments of horse, foot and guns, which rivalled those of most European powers.

The development of

their uniforms, which combined traditional Indian and British dress, is illustrated in detail in this colourful account of the private band of adventurers that successfully captured the jewel of the British Empire.
