"How to Pass Nursing School" is a comprehensive book that covers all of the important aspects of nursing school. Unlike other books on this topic, this book will tell you all about nursing school--from A to Z! Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling to pass. Some students even become discouraged to the point of questioning whether or not they should quit or

pursue a different degree. This guide was written to give students tips to pass, and to tell them exactly what to expect when attending nursing school. The author, S.L. Page, BSN, RN, currently works as a cardiac nurse, and graduated from nursing school with honors. She passed the NCLEX test on her first try, and later went on to start a popular website, where she's helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect in nursing school from beginning to end, covering all of the things students can expect to face,
