—PEOPLE A bank of clouds was
On K2
assembling on the not-so-
distant horizon, but
journalist-mountaineer Jon
Krakauer, standing on the
summit of Mt. Everest, saw

Download File PDF One Mountain Thousand

nothing that suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left countless more--including Krakauer's--in guilt-ridden disarray, would also provide

Download File PDF One Mountain Thousand

the impetus for *Into Thin Air*, Krakauer's epic account of the May 1996 disaster. By writing *Into Thin Air*, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions

Download File PDF One Mountain Thousand

Summits The Untold Story
Tragedy And True Heroism
On K2

that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids

Download File PDF One Mountain Thousand

blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of

Download File PDF One Mountain Thousand

insights into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death.

Download File PDF One Mountain Thousand

Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end,

Download File PDF One Mountain Thousand

despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of Into Thin Air includes an extensive new postscript

Download File PDF One Mountain Thousand

Summits The Untold Story
Tragedy And True Heroism

that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. "I have no doubt that Boukreev's intentions were good on summit day,"

Download File PDF One Mountain Thousand

writes Krakauer in the
postscript, dated August
1999. "What disturbs me,
though, was Boukreev's
refusal to acknowledge the
possibility that he made
even a single poor decision.
Never did he indicate that

Download File PDF One Mountain Thousand

perhaps it wasn't the best choice to climb without gas or go down ahead of his clients." As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated

Download File PDF One Mountain Thousand

discourse that has raged since Into Thin Air's denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored The Climb,

Download File PDF One Mountain Thousand

Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain

Download File PDF One Mountain Thousand

Summits. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in

Download File PDF One Mountain Thousand

Literature from the American Academy of Arts and Letters--a prestigious prize intended "to honor writers of exceptional accomplishment." According to the Academy's citation, "Krakauer combines the

Download File PDF One Mountain Thousand

tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general

Download File PDF One Mountain Thousand

reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging
