On the outside looking in, one would think Midori is happy, but it's another story when you don't marry for love, but rather for financial gain. They appear to be a match made in heaven, but when the lies that both women have told threaten to be exposed, who decides who stays and who goes? Midori and Jaydah have a lot on the line, and both could lose everything they've worked for. That's why their love affair has to remain their little secret.

Venturing into the elite Washington social scene, they discover an elaborate web of explicit photos and blackmail, but the biggest surprise is the fiery attraction they can barely control.
