After outlaws steal a cache of gold and take a young woman hostage, Colter Farrow is back on the vengeance trail, determined to bring the woman back alive-and send the killers of Cimarron straight to hell.

While some travellers look for trouble others unwittingly find themselves in such deep water they are unable to cope. Fortunately for both groups there are men and women worldwide whose job it is to extend a friendly hand. When young James Shea decided to write a book about his father's assistance work as EU representative on the paradisiacal tropical island of Jasmine he discovered that there is a world of crime and corruption very close to home. Pedro Rey, alias "the snake", is the villain. The prominent and successful businessman heads a dangerous criminal organization. Rey becomes increasingly unhappy as James' father keeps getting in his way and upsetting his plans. Gathering material for his book James finds himself plunged into Rey's world. Events escalate, featuring smuggling, kidnapping and murder.

The MGB, the epitome of the British sports car, has attracted a huge following because of its blend of good looks, practicality and decent road manner. During its 18-year production life, from 1962 to 1980, it underwent a bewildering number of changes to specification and equipment. An owner or restorer of an MGB wants to know where their car came in the cycle of production and thus what it should look like and what parts should be fitted, from tail lamps to door handles. Answers to all these questions can only be found in this book, with detailed color photography of the complete range of the cars.
