Christmas classic--the ultimate Dr. Seuss holiday book that no collection is complete without! Every Who down in Who-ville liked Christmas a lot . . . but the Grinch, who lived just north of Who-ville, did NOT! Not since "'Twas the night before Christmas" has the beginning of a Christmas tale been so instantly recognizable. This heartwarming story about the effects of the Christmas spirit will grow even the coldest and smallest of hearts. Like mistletoe, candy canes, and caroling, the Grinch is a mainstay of the holidays, and his story is the perfect gift for readers young and old. "Irrepressible and irresistible." --Kirkus Reviews

This wonderful Christmas tale, set in the late 1800s, shares the touching story of a young boy named Peter. He sells newspapers to help his family while his father is away at sea, and he's been saving

a bit of his earnings to buy a model schooner in the woodworker's shop. But after Uncle Jim, the woodworker, tells him the story of St. Nicholas, Peter discovers the meaning behind the hanging and filling of Christmas stockings and learns a heartfelt lesson in kindness and generosity. Filled with the rich, realistic illustrations of Jim Griffin, children ages 4 to 8 will discover the depth of God's love shown through others as they learn the Christian meaning revealed in *The Legend of the Christmas Stocking*. Through imaginative and innovative products, Zonderkidz is feeding young souls.

As the Christmas holidays approach in Calabria, Stega Nona abandons her usual pursuits to prepare her annual feast for the entire town.

Humanity left Earth several hundreds of years ago. Shifters were among the first to board the space stations escaping from the dying planet. During the long voyage in deep space, mutations changed the paranormal passengers altering their lives forever. As a result, shifters lost their ability to reproduce and enrolled geneticists to ensure their survival.

Valentine Lobo is the last werewolf left in all the Coral System. The undisputed leader of planet Lupine, he has been waiting for his genetically engineered bride for centuries. He has no time to court Mirella Canalis, the young woman whom he only sees as a means to an end. After all, her only reason to exist is to give the alpha werewolf an heir. Valentine is arrogant and domineering. He must save House Lobo from oblivion. What will happen when he finally meets sweet and

□A book or collection of writings constituting the sacred text of a religion.□
□The American Heritage® Dictionary of the English Language, Fourth Edition For thousands of years, we have been told that God was a man. Then someone reminded us of when God was a woman. Now we have a reference for the sensible folk who have always felt that it takes two. If you have ever thought there was more to religion than ancient rituals performed for reasons unknown, this book will show you exactly what you have been looking for. If you have already come to the realization that Wicca is the religion for you, this book will help fill those many blanks that have been left by other books. Author A.J. Drew makes no attempt to dictate religious

dogma or routine. He is quick to point out that the title does not start with the word the. He illustrates the many issues a person's religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world. A Wiccan Bible takes you through the journey of life in three stages: Maiden and Master: Creation, Wiccaning, and Self-dedication. Mother and Father: Initiation, Handfasting/Handparting, and the Wheel of the Year. Crone and Sage: Community, the world, and death. Mythology and science converge as the author details a life's journey into a religion with both old world ritual and new world science, fusing both into a creation myth which satisfies not only mind, but soul as well. A Wiccan Bible not only shows a religious path

filled with joy, but one that offers the ability to accept and manage sorrow. It is filled with ritual and with the reasons why ritual is fulfilling, rewarding, and a necessary part of everyday life. As A.J. addresses each issue, he demonstrates not only how he found the solutions in Wicca, and the many ways in which science and magick have helped him to do so. A Wiccan Bible also contains select recipes that the author has collected, including mixtures for incense, oils, and baths.

Jens Benthien introduces the interested beginner to the world of keeping and breeding Tiger Salamanders in the terrarium, but also provides some useful pointers and suggestions for the more advanced terrarium keeper. While Tiger Salamanders are well suited to the beginner in keeping amphibians, it is also of interest to the more advanced

enthusiast, in particular because it poses some challenges with regard to propagating it. Following an overview of the genus, the distribution, and the ecology of Tiger Salamanders in the wild, the book with its appr. 80 color photographs details how to house these animals according to their biological needs, how to properly feed and care for them, and what is required to propagate the representatives of the North American Tiger Salamanders of the genus *Ambystoma*. Their ability to optionally remain and become sexually mature at their larval stage (neoteny), the problem of hybridizing, and the possible emergence of color anomalies are briefly discussed as well.

acclaimed writer Dubravka Ugresic takes the timeless legend and spins it into a fresh and distinctly modern tale of femininity, aging, identity, and love. With barbed wisdom and razor-sharp wit, Ugresic weaves together the stories of four women in contemporary Eastern Europe: a writer who grants her dying mother's final wish by traveling to her hometown in Bulgaria, an elderly woman who wakes up every day hoping to die, a buxom blonde hospital worker who's given up on love, and a serial widow who harbors a secret talent for writing. Through the women's fears and desires, and their struggles against invisibility, Ugresic presents a brilliantly postmodern retelling of an ancient myth that is infused with humanity and the joy of storytelling.
