Then use Filter array to filter files, if the file name with the extension ends with the expected file format. Use endswith() function to make a decision. Formula reference:

Exploring the experiences of Italian Jews under fascism, five factual narratives and extensive interviews reconstruct Mussolini's Italy for Italian Jews from the perspectives and fates of five different Italian-Jewish families. Reprint.

Cocaine is the story of a young man who runs off to Paris to seek fame, fortune, and fun. Pitigrilli's classic novel charts

## Download File PDF Pitigrilli Dino Segre File Type

the comedy and pathos of a young man's tragic trajectory. Tito Arnaudi is a dandified hero with several mistresses he juggles. A failed medical student, Tito is hired as a journalist in Paris, where he investigates cocaine dens and invents lurid scandals and gruesome deaths that he sells to newspapers as his own life becomes more outrageous than his phony press reports. Telling of orgies and strawberries soaked in champagne and ether, Tito lives with intensity as he pursues his Italian girlfriend Maud (née Maddalena) and wealthy Armenian Kalantan, who insists on making love in a black coffin. Provocatively illustrated, filled with lush, intoxicating prose, Cocaine is a wicked novel about the Lost Generation in 1920s Paris. Dizzy and decadent, Pitigrilli leaves nothing unexplored as he presents astonishing descriptions of upper

## Download File PDF Pitigrilli Dino Segre File Type

class debauching -- strawberries and chloroform, naked dancing, cocaine aplenty, and guests openly injecting morphine. Despite its wit, Cocaine is a sobering account of the dangers of drugs and sexual obsession. Tito happily trades in his twilight years for moments of wicked ecstasy.

The lurid glories of twentieth-century pulp drug literature.

The history of translation has focused on literary work but this book demonstrates the way in which political control can influence and be influenced by translation choices. New research and specially commissioned essays give access to existing research projects which at present are either scattered or unavailable in English.

This monograph examines the complex relationship between Antonio Buero Vallejo (1916 - 2000) and the ideologies of Francoist and post-Franco Spain. The central focus of the study is Buero's political theatre and his employment of myth and history to challenge the notion of an España eterna. It also considers Buero's creation of his own myths and his revision of history in order to rationalize and justify his own stance. In his determination to write and stage committed drama in a repressive society, Buero's choice, with its inherent contradictions and ambiguities, was *posibilismo*. This book looks at this pragmatic employment of language and silence, both in his art and in his dealings with the censors and with other representatives of the

## Download File PDF Pitigrilli Dino Segre File Type

hegemony and analyses how posibilismo both aided and limited him. The monograph also considers Buero's neglected post-Franco theatre, examining the reasons for its initial negative reception and its renewed importance in today's Spain. In these days of digging up the past, Buero's post-Franco insistence on rejecting the pacto de olvido is perhaps more relevant than ever before. CATHERINE O'LEARY lectures in Spanish at the National University of Ireland, Maynooth

Perhaps only the animals can tell us what it is to be human  
The souls of ten animals caught up in human conflicts over  
the last century and connected to both famous and little-  
known writers in surprising ways tell their astonishing

## Download File PDF Pitigrilli Dino Segre File Type

stories of life and death. In a trench on the Western Front, a cat recalls her owner Colette's theatrical antics in Paris. In Nazi Germany, a dog seeks enlightenment. A Russian tortoise once owned by the Tolstoys drifts in space during the Cold War. During the Siege of Sarajevo, a starving bear tells a fairy tale. And a dolphin sent to Iraq by the U.S. Navy writes a letter to Sylvia Plath. Exquisitely written, playful, and poignant, Ceridwen Dovey's *Only the Animals* is a remarkable literary achievement by one of our brightest young writers. An animal's-eye-view of humans at our brutal, violent worst and our creative, imaginative best, it asks us to find our way back to empathy not only for animals but for other people, and to believe again in the redemptive power of reading and writing fiction.

In the 1930s translation became a key issue in the cultural politics of the Fascist regime due to the fact that Italy was publishing more translations than any other country in the world. Making use of extensive archival research, the author of this new study examines this 'invasion of translations' through a detailed statistical analysis of the translation market. The book shows how translations appeared to challenge official claims about the birth of a Fascist culture and cast Italy in a receptive role that did not tally with Fascist notions of a dominant culture extending its influence abroad. The author shows further that the commercial impact of this invasion provoked a sustained reaction against translated popular literature on the part of those writers and

## Download File PDF Pitigrilli Dino Segre File Type

intellectuals who felt threatened by its success. He examines the aggressive campaign that was conducted against the Italian Publishers Federation by the Authors and Writers Union (led by the Futurist poet F. T. Marinetti), accusing them of favouring their private profit over the national interest. Finally, the author traces the evolution of Fascist censorship, showing how the regime developed a gradually more repressive policy towards translations as notions of cultural purity began to influence the perception of imported literature.

The history of the book from 1400 to 1557: the transition
