In a concise and readable 16-chapter format, ESSENTIALS OF PSYCHOLOGY, 7th Edition, incorporates the most effective features of the sixth edition along with the latest and most important research findings from psychological science. Combining

Acces PDF Psychology 7th Edition Bernstein

extensive pedagogical support with an emphasis on active learning, the text challenges students to learn by doing -- to actively participate and to think about what they are learning rather than just passively read written information. The

Acces PDF Psychology 7th Edition Bernstein

integrated pedagogical program helps students master the material by supporting the elements of the PQ4R (Preview, Question, Read, Recite, Review, and Reflect) study system. Douglas Bernstein also shows how topics in psychology are

Acces PDF Psychology 7th Edition Bernstein

interrelated and guides students in thinking critically -- including organizing select research studies around questions to help readers think objectively about research and results. Important Notice: Media content referenced within the product description or the
