You can also purchase a loose-leaf print reference to complement Revel Public Speaking Handbook . This is optional.

This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. This newly redesigned full-color edition offers even stronger coverage of the fundamentals of speechmaking, while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software, and a streamlined chapter on research in print and online.

This handbook integrates the principles of classical rhetoric with those of contemporary public speaking and provides examples of how to apply these principles to various speaking situations. Featuring concise explanations and examples of the main principles, categories, and techniques of public speaking, the handbook format allows students to access easily the material when they are researching, preparing, and practicing their speeches. Covering the full range of topics in all public speaking courses, this text's rhetorical grounding and easy-to-use format make it a practical tool for today's students.

Provides information on the concepts and theories of public speaking along with a variety of real-life examples and visual explanations.

PUBLIC SPEAKING: THE EVOLVING ART, 2E, ENHANCED, International Edition is a fully integrated book and technology program that matches the expectations of today's students while preserving the well-respected traditions of public speaking instruction. This program teaches the fundamental goals of public speaking while exploring the contexts and media that inform public speaking today. The text comes automatically packaged with a printed access code to a variety of online tools: CourseMate (which houses the interactive activities); Speech Builder Express, Speech Studio 2.0, and access to the eBook. Each chapter's material, both in the book and online, takes students through a sequence that starts with reading the text, moves to watching unique integrated videos, segues to companion interactive activities that ask students to apply chapter concepts in hypothetical scenarios, and then to advance work on their own speech project. A unique, practical pedagogical system in the text -- "Read it, Watch it, Use it, Review it" -- gives structure to each chapter, and directs students to the easy-to-access online material. "Apply It" Boxes give students an opportunity to use their newly-gained public speaking skills in situations outside of the classroom. PUBLIC SPEAKING: THE EVOLVING ART, 2E, ENHANCED, International Edition is the first of its kind to adapt the format and delivery of information based on extensive feedback from hundreds of students and instructors who have used the package in their course. Based on the text's "READ It, WATCH It, USE It, REVIEW It" pedagogical structure, 93% of students who class-tested found the Speech Buddy Videos helpful, and 96% of students would recommend this book/package to their instructor.

CENGAGE ADVANTAGE BOOKS: THE SPEAKER'S COMPACT HANDBOOK, Second Edition, equips you with the essential information, tips, and tools you need to be an effective public speaker. Its spiral-bound, quick-reference format makes the handbook easy to use. And because each of its succinct chapters can stand alone, you can jump exactly to the topic you need to help you create a great speech. Two simple features--Key Points and Checklists--help you stay on track throughout the speech-building process. In addition to the material within the handbook, online interactive tools like Speech Builder Express(tm) 3.0 and InfoTrac College Edition help further develop your public speaking skills.

The unique, audience-centered approach of this top-selling book emphasizes that success in public speaking depends on how listeners interpret the message. "Public Speaking: An Audience-Centered Approach" brings theory and practice together. Its distinctive and popular approach emphasizes the importance of analyzing and considering the audience at every point in the speech making process. This model of public speaking is the foundation of the book, and it guides the reader through the step-by-step process of public speaking, focusing their attention on the dynamics of diverse audiences, and narrowing the gap between practice and the real world. The seventh edition includes a new emphasis on helping speakers manage communication apprehension. The updated edition of "The Interviewing Guidebook" focuses on integral skills needed for successful information-gathering and the employment interview, including the resume and letters that are part of the interview process. Preparation worksheets, exercises, guides to online help, and scenarios for applying these skills make this brief and user-

friendly book extremely practical for anyone preparing for an interview.
