Betty Leslie Melville Jock

The author describes her relationship with a Rothschild giraffe, a nearly extinct species, in Kenya.

The most comprehensive book on giraffes to appear in the last fifty years, this volume

Online Library Raising Daisy Rothschild Betty Leslie Melville Jock

presents a magnificent portrait of a group of animals who, in spite of their legendary elegance and astonishing gentleness, may not entirely survive this century. Dale Peterson's text provides a natural and cultural history of the world's tallest and second-biggest land animals, describing in detail their biology and behavior. He offers a new perspective on the giraffes' place in our world, and argues for the stronger protection of these imposing yet endangered creatures and their elusive forest relatives, the okapis. Some 120 stunning photographs by award-winning wildlife photographer Karl

Ammann capture the grace and elegance of Giraffa camelopardalis. Both beautiful and informative, the images document giraffes' complex interactions with each other and their environment.

Culled from Hahn's memories of growing up under the shadow of World War II, this story has touched young readers for more than 15 years. This beloved novel follows two girls who, after stumbling upon a classmate's secret, begin to wonder how they really feel about the war. Is it really a good war? Is there ever such a thing?
