Dana Simpson's Phoebe and Her Unicorn is back with more sparkles than ever! In this fourth volume, join in the adventure as Phoebe and Marigold confront messy rooms, trouble at school, and a nasty case of “Sparkle Fever.” Follow the pair back to Camp Wolfgang, where their old pals Sue (a.k.a. “Monster Girl”) and Ringo, the lake creature, remind them that being weird is WAY more fun than being normal.

## Read PDF Razzle Readers Vol No 81

One year has passed since Phoebe skipped a rock across a pond, accidentally hit a unicorn in the face, and was granted a single wish—which she used to make the unicorn, Marigold Heavenly Nostrils, her obligational best friend. In some ways, not much has changed. At school Phoebe still clashes with her rival--and sometimes “frenemy”--he ever-taunting and imperious Dakota. Outside of school, she still fills her free time with extra-credit homework assignments, dramatic monologues about the injustices associated with school cliques, and imaginative conspiracy theories regarding global forces like the “powerful construction paper lobby.” But unlike before, Phoebe now has a best friend to share it with—someone to make her laugh and to listen to all her extravagant ideas. In this second volume of Dana Simpson's Phoebe and Her Unicorn series, titled, Unicorn on a Roll, the reader is invited on a journey into the lives of Phoebe and Marigold as they navigate the difficulties of grade school, celebrate the winter holidays, and explore their super hero/super villain personas together. Join in the fun, as Phoebe competes against Dakota for the leading role of “Lisa Ladybug” in their fourth-grade play—or as she struggles to “manage” the PR debacle related to her nose-picking-scandal. (“I will neither confirm nor deny the events surrounding Boogergate.”) Witness a band of unicorns staging an “intervention” and learn all the details of Marigold’s secret crush on a mysterious creature she has never seen. Perhaps most important, watch as this surprising friendship between a charming, nine-year-old dreamer and a vain, mythical beast forever changes both of them for the better.

## Read PDF Razzle Readers Vol No 81

A boy and his dog . . . a girl and her . . . unicorn? It all started when a girl named Phoebe skipped a rock across a pond and accidentally hit a unicorn in the face. Improbably, this led to Phoebe being granted one wish, and she used it to make the unicorn, Marigold Heavenly Nostrils, her obligational best friend. But can a vain mythical beast and a nine-year-old daydreamer really forge a connection? Indeed they can, and that's how Phoebe and Her Unicorn unfolds. This beautifully drawn comic strip follows the unlikely friendship between a somewhat awkward girl and the magic unicorn who gradually shows her just how special she really is. Through hilarious adventures where Phoebe gets to bask in Marigold's "awesomeness," the friends also come to acknowledge that they had been lonely before they met and truly appreciate the bond they now share.

School's out! That means no more teachers, no more books, and lots of time to compliment Marigold Heavenly Nostrils on her good looks. In this third volume, Phoebe and her obligational best friend, Marigold, learn that summer still has plenty of surprises for the both of them. All of our old friends are back—Phoebe's part-time "frenemy" Dakota, upon whom Marigold has bestowed sentient hair, Phoebe's goofy parents, and even Lord Splendid Humility (but please, ignore his magnificence if you can)! Have fun as Phoebe and Marigold continue the "Phoebegold Detective Agency," spend a week at Wolfgang Music Camp, and find themselves in more misadventures, thanks to Marigold's enchanted sparkles! Along the way, Phoebe makes some new friends, such as Sue—her unique clarinet-playing bunkmate, Florence Unfortunate Nostrils, Marigold's estranged sister, and Camp Wolfgang's lake

monster who enjoys tacos and Wi-Fi. When school resumes, read along as Phoebe enjoys (or suffers from) a brief case of popularity, mentally catalogs her grievances against dodge ball, and, with Marigold's help, rescues Dakota and her hair from the queen of the goblins. Through these wacky adventures, Phoebe and Marigold learn that their friendship is the second most magical thing of all, after Marigold's beauty, of course. Includes an introduction by Cory Doctorow and his daughter Poesy!

New York Times" editor Shortz collects 50 of the best crosswords from the papers popular Sunday edition.

Time flies in this fifth volume of Dana Simpson's Phoebe and Her Unicorn! Follow the lovable duo as they experience somewhat-spooky Halloween parties, ecstatic snow days, and looming summer reading assignments. Although the journey of growing up can sometimes be difficult, along the way Phoebe and Marigold discover something more enduring than goblin fads, unicorn spa vacations, and even a Spell of Forgetting—their one of a kind friendship.

Phoebe and Marigold decide to investigate a powerful storm that is wreaking havoc with the electricity in their town. The adults think it's just winter weather, but Phoebe and Marigold soon discover that all is not what it seems to be, and that the storm may have a magical cause. To solve the case, they team up with Max, who is desperate for the electricity to return so he can
