After years of living in the wild, a teenage girl leads her adoptive family's search-and-rescue operation -- but to find a missing child, she must uncover long-buried secrets from her past. Kira Bennett's earliest memories are of living alone and wild in the woods. She has no idea how long she was on her own or what she had to do to survive, but she remembers the moment that Cady Bennett and one of her search-and-rescue dogs found her. Adopted into the Bennett family, Kira still struggles with human interaction years later, but she excels at the family business:

search and rescue. Together with Cady's son, Jude, and their neighbor, Free, Kira works alongside Cady to train the world's most elite search-and-rescue dogs. Someday, all three teenagers hope to put their skills to use, finding the lost and bringing them home. When Cady's estranged father, the enigmatic Bales Bennett, tracks his daughter down and asks for her help in locating a missing child -- one of several visitors who has disappeared in the Sierra Glades National Park in the past twelve months -- the teens find themselves on the front lines sooner than they could have ever expected. As the search through seven hundred and fifty thousand acres of unbridled wilderness

intensifies, Kira becomes obsessed with finding the missing child. She knows all too well what it's like to be lost in the wilderness, fighting for survival, alone. But this case isn't simple. There is more afoot than a single missing girl, and Kira's memories threaten to overwhelm her at every turn. As the danger mounts and long-held family secrets come to light, Kira is forced to question everything she thought she knew about her adopted family, her true nature, and her past.

threatens her with legal action to see the boys, Sara strikes a bargain: she'll bring them for a six-week visit, hoping the boys, at least, will find connection and happiness with their extended family. It doesn't help that attorney and part-time rancher Luke Thompson lives right next door, and as an old friend of the family's he's agreed to investigate Sara's past. Luke doesn't feel comfortable poking around in the very successful tech CEO's private life. What he finds is a truth very different from the one he's been led to believe. Far from being cold and unloving, Sara is devoted to her boys and as at home on the ranch as she is in a boardroom. All Sarah ever wanted was a family, and all Luke

runs his own company. They're admired in their community and are a loving family—until their world falls apart the day their son Sebastian is taken. A year later, Marin is a shadow of herself. The FBI search has gone cold. The publicity has faded. She and her husband rarely speak. She hires a P.I. to pick up where the police left off, but instead of finding Sebastian, she learns that Derek is having an affair with a younger woman. This discovery sparks Marin back to life. She's lost her son; she's not about to lose her husband, too. Kenzie is an enemy with a face, which means this is a problem Marin can fix. Permanently.

like winning the lottery. She's getting a second chance at being a better daughter, sister, and friend, and she's falling hard for Carson Ortiz, a boy who has always looked out for her???even if the old Sam treated him like trash. But Cassie is still missing, and the facts about what happened to her that night isn't just buried deep inside of Sam's memory???someone else knows, someone who wants to make sure Sam stays quiet. All Sam wants is the truth, and if she can unlock her clouded memories of that fateful night, she can finally move on. But what if not remembering is the only thing keeping Sam alive?

Every other day, Kali D'Angelo is

a normal sixteen-year-old girl. She goes to public high school. She attends pep rallies (reluctantly). She's human. And every other day in between . . . she's not. Though she's not quite sure what she is on those days, Kali knows what she does . . . she hunts, traps, and kills demons, hellhounds, and other supernatural creatures that threaten her world. On those days, she is practically indestructible. But when Kali notices a mark on a popular girl at school, she knows instantly that the girl is marked for death by an unworldly being. And she knows she has only twenty-four hours to save her. There's only one problem . . . it's the wrong twenty-four hours.

The New York Times bestselling author of the acclaimed *Island of Lost Girls* and *Promise Not to Tell* returns with a chilling novel in which the secrets of the past come back to haunt a group of friends in terrifying ways.

Dismantlement = Freedom Henry, Tess, Winnie, and Suz banded together in college to form a group they called the Compassionate Dismantlers. Following the first rule of their manifesto—"To understand the nature of a thing, it must be taken apart"—these daring misfits spend the summer after graduation in a remote cabin in the Vermont woods committing acts of meaningful vandalism and plotting elaborate, often

dangerous, pranks. But everything changes when one particularly twisted experiment ends in Suz's death and the others decide to cover it up. Nearly a decade later, Henry and Tess are living just an hour's drive from the old cabin. Each is desperate to move on from the summer of the Dismantlers, but their guilt isn't ready to let them go. When a victim of their past pranks commits suicide—apparently triggered by a mysterious Dismantler-style postcard—it sets off a chain of eerie events that threatens to engulf Henry, Tess, and their inquisitive nine-year-old daughter, Emma. Is there someone who wants to reveal their secrets? Is it possible that
