Why do so many actively managed funds underperform? Why do passively managed funds provide superior returns, especially after taxes? What are the true interests of fund managers and the financial press? Most important, what strategy is in your best interest? What Wall Street Doesn't Want You to Know answers all these questions and more, giving you the inside information you need to become a successful investor who plays the winner's game—creating wealth—instead of the loser's game Wall Street wants you to play, of trying to pick stocks and time the market. In his revolutionary new guide, investment professional Larry Swedroe explains why active managers have rarely been able to add value to your portfolio over time. He dispenses with traditional Wall Street wisdom and experts and shows you how to invest the way really smart money invests today. What Wall Street Doesn't Want You to Know tells you exactly what Wall Street doesn't want you to know: how to avoid the pitfalls of short-term thinking and to invest so that you can create more wealth—much more wealth—over the long term.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making

you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Around 1880, two teenagers left their village on the Kama river, 1000 km east of Moscow. Their father wanted them to earn cash in Siberia and send it home. The result: scores of letters over a period of 16 years (1881-1896). The parents, two brothers and a sister reported on harvests and family finances, on marriages, births, and deaths, asked for money, offered religious instruction and moral advice, described their daily lives, and shared their worries about their alcoholic father and their desire to see the world and succeed in it. Meanwhile, the family's activity steadily expanded, as their side business grew from a single leaky rowboat to a fleet of steamships. These unique letters, preserved in a Siberian archive, appear here in English translation for the first time. The accompanying detailed commentaries, based on meticulous archival research, recreate these peasants' social, cultural, and economic milieu. The family's letters thus document the complex changes that led to upward mobility in an era that saw the rapid growth of capitalism and urbanization during late imperial Russia. Facsimiles and photographs are included.

Once your cover letter is positioned first to be noticed, then how do you position the letters to be noticed for the longest time in a number of situations? What kind of thank-you letters work best? How do you ask for help in finding a job from a letter to a stranger, acquaintance, or business networking contact? How do you write a cover letter that will never be misinterpreted as a sales pitch or autobiography? How do you plan, write, and format an outstanding book proposal that lets the reader see the bottom line--profit for the publisher? Positioning your goal or project first means going where no one has gone before. It's where the competition is missing. Go where no one else has gone before when you plan, write, and format great cover letters, follow-up letters, and book proposals. Cover and follow-up letters or proposals could be applied to book proposals, book proposal cover letters, written marriage proposals, pre-nuptials, and courting. Cover letters could apply to love letters, letters to friends and relatives, business contacts at trade shows, or literary agents. How do you use cover and follow-up letters to position first your resumes, proposals, relationship communications, marketing or sales connections and connections? After cover letters, how to you plan, write, and position first your follow-up letters? What types of letters bring people together? Act as a catalyst? Get you an interview? Position you first for inclusion in a job, business, or relationship? What type of letters position first, attract, and sell what you can do without looking like sales letters? What types of cover and follow-up letters are best sent with a resume?

Competition is fierce. Employers and recruiters are becoming more skilful and discerning. Finding the job you want today requires more than a brilliant CV and the ability to answer tough
