“Heartrenching.” —VOYA (starred review) “Beautiful, captivating prose.” —RT Book Reviews *A* twisted tragedy leaves Brooke and her siblings on their own in this provocative novel from the New York Times bestselling author of *The Way I Used to Be*. How do you let go of something you’ve never had? Junior year for Brooke Winters is supposed to be about change. She’s transferring schools, starting fresh, and making plans for college so she can finally leave her hometown, her family, and her past behind. But all of her dreams are shattered one hot summer afternoon when her mother is arrested for killing Brooke’s abusive father. No one really knows what happened that day, if it was premeditated or self-defense, whether it was right or wrong. And now Brooke and her siblings are on their own. In a year of firsts—the first year without parents, first love, first heartbreak, and her first taste of freedom—Brooke must confront the shadow of her family’s violence and dysfunction, as she struggles to embrace her identity, finds her true place in the world, and learns how to let go.

#1 bestselling author Stephanie Meyer makes a triumphant return to the world of *Twilight* with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire’s point of view. When Edward Cullen and Bella Swan met in *Twilight*, an iconic love story was born. But until now, fans have heard only Bella’s side of the story. At last, readers can experience Edward’s version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward’s eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward’s past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephanie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. An instant #1 New York Times BestsellerAn instant #1 USA Today BestsellerAn instant #1 Wall Street Journal BestsellerAn instant #1 IndieBound BestsellerApple Audiobook August Must-Listens Pick “People do not want to just read Meyer’s books; they want to climb inside them and live there.” -- *Time* “A literary phenomenon.” -- *New York Times*

The budget battles of recent years have amplified the warnings of demographic doomsters who predicted that a wave of baby boomers would bleed America dry, bankrupting Social Security and Medicare as they faded into an impoverished old age. On the contrary, argues award-winning journalist Chris Farrell, we are instead on the verge of a broad, positive transformation of our economy and society. The old idea of “retirement”—a word that means withdrawal, describing a time when people gave up productive employment and shrank their activities—was a short-lived historical anomaly. Humans have always found meaning and motivation in work and community, Farrell notes, and the boomer generation, poised to live longer in better health than any before, is already discovering unretirement—extending their working lives with new careers, entrepreneurial ventures, and volunteer service. Their experience, wisdom—and importantly, their continued earnings—will enrich the American workplace, treasury, and our whole society in the decades to come. Unretirement not only explains this seismic change, now in its early stages, it provides key insights and practical advice for boomers about to navigate this exciting, but unsettled, new frontier, drawing on Chris Farrell’s decades of covering personal finance and economics for *Bloomberg Businessweek* and *Marketplace Money*. This will be an indispensable guide to the landscape of unretirement from one of America’s most trusted experts.

First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

THE DRAGONS OF TALON: Once hunted nearly to extinction, they are now poised to take over the world. THE ORDER OF ST. GEORGE: The legendary dragonslayers will stop at nothing to wipe dragons from the face of the earth. These mortal enemies are locked in secret and deadly combat, with humanity none the wiser. To take her rightful place in the Talon organization, young dragon Ember Hill must prove she can hide her true nature and blend in with humans. Her delight at the prospect of a summer of “normal” teen experiences is short-lived, however, once she discovers that she’s also expected to train for her destined career in Talon. But a chance meeting with a rogue dragon will soon challenge everything Ember has been taught. As Ember struggles to accept her future, St. George soldier Garret Xavier Sebastian is tasked with hunting her down. But when faced with Ember’s bravery, confidence and all-too-human desires, Garret begins to question everything the Order has ingrained in him—and what he might be willing to give up to uncover the truth about dragons.

“This intimate, moving, and timely collection of essays points the way to a world in which the burden of grief is shared, and pain is reconfigured into a powerful force for social change and collective healing.” —Astra Taylor, author *The People’s Platform* “A primary message here is that from tears comes the resolve for the struggle ahead.” —Ron Jacobs, author of *Daydream Sunset* “Rebellious Mourning uncovers the destruction of life that capitalist development leaves in its trail. But it is also witness to the power of grief as a catalyst to collective resistance.” —Silvia Federici, author of *Caliban and the Witch* We can bear almost anything when it is worked through collectively. Grief is generally thought of as something personal and insular, but when we publicly share loss and pain, we lessen the power of the forces that debilitate us, while at the same time building the humane social practices that alleviate suffering and improve quality of life for everyone. Addressing tragedies from Fukushima to Palestine, incarceration to eviction, AIDS crises to border crossings, and racism to rape, the intimate yet tenacious writing in this volume shows that mourning can pry open spaces of contestation and reconstruction, empathy and solidarity. With contributions from Claudia Rankine, Sarah Schulman, David Wojnarowicz, Leanne Betasamosake Simpson, David Gilbert, and nineteen others. Cindy Milstein is the author of *Anarchism and Its Aspirations*, co-author of *Paths toward Utopia: Graphic Explorations of Everyday Anarchism*, and editor of the anthology *Taking Sides: Revolutionary Solidarity and the Poverty of Liberalism*.

With over 1 million copies sold worldwide and translated into 29 languages, Dr. Alex Loyd’s international bestselling book is a life-changing program that uses energy medicine to heal mental and physical challenges. THE HEALING CODE is your healing kit for life—to recover from the issues you know about, and repair the ones you don’t. The book also includes: The Seven Secrets of life, health, and prosperity The 10-second Instant Impact technique for defusing daily stress The Heart Issues Finder, the only test that identifies your source issues in a succinct personalized report. Dr. Alex Loyd discovered how to activate a physical function built into the body that consistently and predictably removes the source of 95% of all illness and disease so that the neuro-immune system takes over its job of healing whatever is wrong with the body. His findings were validated by tests and by the thousands of people from all over the world who have used The Healing Code’s system to heal virtually any physical, emotional, or relational issue, as well as realize breakthroughs in success. His testing also revealed that there is a “Universal Healing Code” that will heal most issues for most people. In this book you will get that Universal Healing Code, which takes only minutes to do.
