Introducing the Winx Club, bewitchingly beautiful teenage fairies with a passion for fashion and a flair for magic! Meet each of the Winx Club fairies and learn all about their world in Magix, including horoscopes, lucky charms, creating secret messages, beauty hints, yoga tips, witch vs. fairy quizzes and featuring an insert of nail appliques of all five characters.

Don't miss this bold new reinvention of the classic animated Winx Club series! This is the first YA novel based on the new NETFLIX series Fate: The Winx Saga. It is a retelling of the first season packed with bonus scenes and character backstory not seen on the show. At the Alfea International School, students come from all over the Otherworld to train. To learn magic. To discover how to control their powers. Inside the school's castle, five students-complete strangers-are assigned as roommates: Aisha is an athlete and a classic overachiever whose control over water is the envy of her fellow students. Terra is an awkward do-gooder whose power over the natural world can overwhelm rivals unexpectedly. Musa is an introvert who keeps to herself so her mind isn't overwhelmed by the emotions of those around her. Stella is a princess - yes, a real princess - whose command over light inspires but also intimidates. And then there's Bloom, the outsider, the girl from the human world whose power over fire almost destroyed her family. These five teenagers want what every teenager wants . . . to figure out who they are. To make friends. To fit in at their new school. But when an ancient, long-vanquished evil suddenly resurfaces outside the castle walls, these five teenagers are forced to put their powers to the test. And they'll discover a secret so powerful, it will challenge everything they know about the Otherworld . . . and themselves.

Know Fortnite: Battle Royale well, but want to play like a real pro? Look no further. The 100% UnofficialFortnite Pro Guide will help you take your building to the next level. And if you want to look great on the battlefield, this book includes a showcase of some of the best skins available, and plenty of emotes to pair with them. There's even a rundown of some of the cutest pets available in the game, for that extra fancy back bling. With colorful graphics and awesome pro tips, this is the definitive guide to Fortnite. First, gain in-depth knowledge on how to best to play on mobile devices. Then, discover methods to play your way to pro-level status with better weapons to pick up, new items to score, tactical traps to trick enemies, and faster—and more creative—builds that go way beyond the basics. If your noob days are over and you're ready to level up, this guide will show you all the ways you can master multiple areas of game-play. Personalizing your game is key as a Fortnite pro, and this guide helps you express yourself in fun new ways. New emotes that go way beyond the Floss? Cool new skins that will frighten and delight? 100% Unofficial Fortnite Pro Guide details them all to show you the best way to throw shade, show excitement, and even distract competitors with cosmic cosmetics to boost your game. You can even bring pet bling to the battlefield! This backpack companion offers great company as you venture into battle. Next, learn to play your way and add finesse to your game-play style with Limited-Time Modes that prove there's more to game types than Squads and Solo play. From what not to do to teamwork tips, it's all in a day's work as a Fortnite pro and now you can become an expert in how to be faster, stronger, and smarter on the battlefield. Finally, see how the Fortnite landscape has evolved and changed with an all-new map and a countdown of the top 10 most epic moments in the game so far. So fire up your PC, Mac, Xbox, PS4, Nintendo Switch, or iOS device, lock 'n' load and prepare to battle like the pros...in style!

The instant New York Times bestseller and companion book to the PBS series. “ Absolutely brilliant . . . A necessary and moving work. ” —Eddie S. Glaude, Jr., author of Begin Again “ Engaging. . . . In Gates ’ s telling, the Black church shines bright even as the nation itself moves uncertainly through the gloaming, seeking justice on earth—as it is in heaven. ” —Jon Meacham, New York Times Book Review From the New York Times bestselling author of Stony the Road and one of our most important voices on the African American experience comes a powerful new history of the Black church as a foundation of Black life and a driving force in the larger freedom struggle in America. For the young Henry Louis Gates, Jr., growing up in a small, residentially segregated West Virginia town, the church was a center of gravity—an intimate place where voices rose up in song and neighbors gathered to celebrate life’s blessings and offer comfort amid its trials and tribulations. In this tender and expansive reckoning with the meaning of the Black Church in America, Gates takes us on a journey spanning more than five centuries, from the intersection of Christianity and the transatlantic slave trade to today ’ s political landscape. At road ’ s end, and after Gates ’ s distinctive meditation on the churches of his childhood, we emerge with a new understanding of the importance of African American religion to the larger national narrative—as a center of resistance to slavery and white supremacy, as a magnet for political mobilization, as an incubator of musical and oratorical talent that would transform the culture, and as a crucible for working through the Black community ’ s most critical personal and social issues. In a country that has historically afforded its citizens from the African diaspora tragically few safe spaces, the Black Church has always been more than a sanctuary. This fact was never lost on white supremacists: from the earliest days of slavery, when enslaved people were allowed to worship at all, their meetinghouses were subject to surveillance and destruction. Long after slavery ’ s formal eradication, church burnings and bombings by anti-Black racists continued, a hallmark of the violent effort to suppress the African American struggle for equality. The past often isn ’ t even past—Dylann Roof committed his slaughter in the Mother Emanuel AME Church 193 years after it was first burned down by white citizens of Charleston, South Carolina, following a thwarted slave rebellion. But as Gates brilliantly shows, the Black church has never been only one thing. Its story lies at the heart of the Black political struggle, and it has produced many of the Black community ’ s most notable leaders. At the same time, some churches and denominations have eschewed political engagement and exemplified practices of exclusion and intolerance that have caused polarization and pain. Those tensions remain today, as a rising generation demands freedom and dignity for all within and beyond their communities, regardless of race, sex, or gender. Still, as a source of faith and refuge, spiritual sustenance and struggle against society ’ s darkest forces, the Black Church has been central, as this enthralling history makes vividly clear.

Growing from tiny tadpoles to massive master jumpers, frogs and their life cycles are fascinating. How far can frogs jump? Why do their eggs look slimy? Answer these questions and many more in this illustrated introduction to amphibians. With her signature bright, well-labeled diagrams and simple text, Gail Gibbons introduces the habitat and life cycles of frogs and gives an overview of common frog behaviors. Important biology vocabulary is introduced, defined, and reinforced with kid-friendly language and clear illustrations–plus a page of intriguing frog trivia and clear diagrams that show how frogs are different from toads. Bonus material is included about the unique role frogs play in the environment.

Settle in for a stay at Schrute Farms Bed & Breakfast with this hilarious unofficial cookbook featuring rustic, beet-heavy recipes that everyone ’ s number one Assistant to the Regional Manager would approve of. Ask Yourself, "What Wouldn't an Idiot Make for Dinner?" The answer is exactly what you will find in this cookbook. With Beet This, you can make your next meal in true Schrute-Farms style with recipes that are equal parts rustic and merciless. Straight from Honesdale (the Keystone State’s culinary mecca) this cookbook is packed with old and hearty, Pennsylvania-inspired recipes that would earn Dwight ’ s perfectenschlag stamp of approval, including: Beet Biscuits with Rabbit Gravy (a breakfast classic) Beet and Cabbage Salad Beet Fries Russian Beet Soup Whole Roasted Beets Spicy Fried Rattlesnake with Pickled Beets Moist Chocolate-Beet Cake For a B&B nightcap, Home-Distilled Beet Vodka and so much more. . . Sharpen your Santoku, load your spud gun, and prepare to be transported to a magical, beet-filled corner of Northeast Pennsylvania. Or don't. And die of hunger. Idiot.

When new children are brought into the Social Welfare Agency, their minds are wiped and their bodies enhanced with the latest in cutting edge cybernetics. They are blank slates ready to be molded and conditioned as their handlers see fit. Yet for Angelica, the first of the Agency's cyborg assassins, memories of the life she once knew have started to return. Dreams of her childhood fill her sleep, and visions of her old dog, Perro, haunt her by day. Worst of all, remembering her past seems to be making her forget who she is now.

THE MASTER RETURNS! An ancient and evil secret society has stayed in hiding since the death of their leader, Zheng Zhu. But now his successor has been chosen to shift the balance of power in the world - Zheng Zhu's son, Shang-Chi! Witness the Marvel Universe's greatest fighter return to a world of death and destruction he thought he left behind long ago - and discover the secrets to Shang-Chi's past that will change his world forever.

Festive cheer and slot machines take over the academy during the Great Bloom Festival, a week-long excuse for students to gamble to their heart's desire. As Mary scours the festival grounds for a worthwhile den, Tsuzura and Yukimi are forced to partake in a stripping game with yet another Full-Bloom member, the risqué photographer Eneru Rokujou! Can the two protect their beloved club in Mary's absence, or will they lose it-along with their clothes?!
