Show Me a Story is a Capstone Press publication.

"Will inspire, inform, and delight those of any age who areengaged in-or by-the arts." - The Horn Book Renowned children's literature authority Leonard S. Marcus speaks with twenty-one of the world's most celebrated illustrators of picture books, asking about their childhood, their inspiration, their creative choices, and more. Amplifying these richly entertaining and thought-provoking conversations are eighty-eight full- color plates revealing each illustrator's artistic process in fascinating, behind- the-scenes detail. This inspiring collection confirms that picture books matter because they make a difference in our children's lives.

Explicit photographs with candid captions are designed to help open-minded people reevaluate their sexual attitudes and teach their children about physical maturity and needs

When I looked up, I shivered. How many stars were in the sky? A million? A billion? Maybe the number was as big as infinity. I started to feel very, very small. How could I even think about something as big as infinity? Uma can't help feeling small when she peers up at the night sky. She begins to wonder about infinity. Is infinity a number that grows forever? Is it an endless racetrack? Could infinity be in an ice cream cone? Uma soon finds that the ways to think about this big idea may just be . . . infinite.

"In this book with no pictures, the reader has to say every silly word, no matter what"--

How do you ask for what you'd like? Do you shout "I want!" to get your way? Or do you say "please" each and every day? With energetic rhyming text, dazzling art, and loads of fun, a little girl learns that good things come to those who say "please"! But be careful what you wish for! Praise for Please Say Please! "An amusing etiquette lesson, perfect for storytimes or one-on-one sharing." -- School Library Journal

Jim Marshall created iconic images of rock 'n' roll stars, jazz greats, and civil rights leaders. He had the power to look into the soul of an individual and to capture the mood of an entire generation. This deluxe, career-spanning volume showcases hundreds of photographs: intimate portraits, heady crowd scenes, and haunting street shots evoking the sights and sounds of the 1960s and 1970s. Marked-up proof sheets offer insight into Marshall's process, while in-depth essays from his contemporaries tell a compelling story about this larger-than-life man. Nearly a decade after his death, Marshall's legacy is the subject of a documentary feature film. This gorgeous collection is a must-have for devoted fans and newcomers alike; a fitting tribute to a true legend.

Presents advice to help young readers compose their own fairy tales, personal and business letters, scary stories, poems, personal journals, and research papers.

Through text and illustrations of children reveling in nature, explores the various ways we as human beings are strong, creative, and connected to others.

This book is full of wonderful WORDS and beautiful PICTURES! And it's EXCITING! And it's FUNNY! It might be the BEST BOOK EVER-if we could decide whose book it is. Redd and Bloo explore the way a book is made and accidentally build a friendship, too, in this tale told only in dialogue. Travis Foster and Ethan Long offer a hilarious story about the joy of reading, which brings people together in unexpected ways, proving that each book truly belongs to . . . the people who love it. Plus, this is the fixed format version, which looks almost identical to the print edition.
