Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

Bill Hicks was arguably the most influential stand-up comedian of the last 30 years. He was funny, out of hand, impossible to ignore and genuinely disturbing. His work has inspired Michael Moore, Mark Thomas and Robert Newman among others. The trade paperback published in February 2003 was the first collected work and included major stand-up routines, diary, notebook and letters extracts, plus his final writings, most previously unpublished. This smaller format paperback has extra material discovered subsequently.

When Harold Ross founded The New Yorker in 1925, he called it a “ comic weekly. ” And although it has become much more than that, it has remained true in its irreverent heart to the founder ’ s description, publishing the most illustrious literary humorists in the modern era—among them Robert Benchley, Dorothy Parker, Groucho Marx, James Thurber, S. J. Perelman, Mike Nichols, Woody Allen, Calvin Trillin, Garrison Keillor, Ian Frazier, Roy Blount, Jr., Steve Martin, and Christopher Buckley. Fierce Pajamas is a treasury of laughter from the magazine W. H. Auden called the “ best comic magazine in existence. ”
