Spread your wings of love and fly in someone's sky of dream and imagination.

AN INSPIRATIONAL POETRY BOOK WITH COLORFUL PICTURES.

Self-doubt has many of us convinced that life is infinitely better if we keep telling ourselves "I can't" rather than face our fears and try. As a result, we feel frustrated and unfulfilled. This journal invites the writer to recognize their roots, relish their opportunities, and begin to transform their dreams to reality. Perfect for teenagers and adults alike, this journal presents the perfect prompts to catch all the stories that bring her closer to discovering a more joyful, fulfilled version of her most authentic self.

Fly little butterfly! Every little girl dreams of spreading their wings and flying like a butterfly. These beautiful thoughts fill their hearts and heads. They can now fill up this "Butterfly Journal" as they color the butterflies on the pages, and write about their dreams and adventures. There are over 60 blank-lined pages, and 7 coloring pages at the end.

Uses a story emphasizing personal possibilities to provide instructions for creating an origami bird.

Spread Your Wings and Fly is a book about a beautiful and colorful bird family. The story concentrates on the two of three little birds in the family-Remmy Bird and Sophie Bird. They go on a journey throughout the forest, and they get lost. They have help along the way and meet one that will change their lives forever. This book is fun, interesting, and helps those reading it to become aware of what they already possess!

A little book of thoughts to make your heart happy!

The remarkable autobiography of a pioneering female aviator who left a privileged life to serve in World War II. Her father was a millionaire race-car driver who became chairman of Bentley Motors, and her grandfather cofounded the De Beers mining company. But by the late 1930s, debutante Diana Barnato had enough of her affluent, chaperoned existence and sought excitement in flying—soloing at Brooklands after only six hours—training. Joining the Air Transport Auxiliary in 1941 to help ferry aircraft to squadrons and bases throughout the country, she flew scores of different aircraft—fighters, bombers, and trainers—in all kinds of conditions, and without a radio. By 1945, Barnato had lost many friends, a fiancé, and a husband—but she continued to fly. In 1962 she was awarded the Jean Lennox Bird Trophy for notable achievement in aviation, but her greatest moment was yet to come, when in 1963 she flew a
