The bestselling author of *The Millionaire Next Door* reveals easy ways to build real wealth. With well over two million of his books sold, and huge praise from many media outlets, Dr. Thomas J. Stanley is a recognized and highly respected authority on how the wealthy act and think. Now, in *Stop Acting Rich ? and Start Living Like a Millionaire*, he details how the less affluent have fallen into the elite luxury brand trap that keeps them from acquiring wealth and details how to get out of it by emulating the working rich as opposed to the super elite. Puts wealth in perspective and shows you how to live rich without spending more. Details why we spend lavishly and how to stop this destructive cycle. Discusses how being "rich" means more than just big houses and luxury cars. A defensive strategy for tough times, *Stop Acting Rich* shows readers how to live a rich, happy life through accumulating more wealth and using it to achieve the type of financial freedom that will create true happiness and fulfillment.

Distinguishing the qualities that separate the prosperous from everyone else, the author mixes statistical data and lively anecdotes to plumb the secrets behind generating wealth. Reprint.

Is the millionaire next door still out there today? The latest research from Dr. Thomas J. Stanley and his daughter, Dr. Sarah Stanley Fallaw, confirms that, yes, the millionaire next door is alive and well. And he's achieving his financial objectives much the same way he always has: by living below his means, being a contrarian in a maelstrom of hyper-consumption, and being disciplined in reaching his financial goals. The book examines wealth in America 20 years after Dr. Stanley's groundbreaking work on self-made affluence. While a new generation of household financial managers are being inundated with the proliferation of financial advice, *The Next Millionaire Next Door* provides readers with an analysis of what it takes to achieve wealth with data-based conclusions and evidence from those who have built wealth on their own over the last two decades. In this current work, the authors detail how specific decisions, behaviors, and characteristics align with the discipline of wealth building, covering areas such as consumption, budgeting, careers, investing, and financial management in general. Through case studies, survey research, and a careful examination of quantitative studies of wealth, the authors illustrate what it takes to achieve financial success today, regardless of market conditions or rising costs.

The New York Times' bestselling author of *The Millionaire Next Door* reveals the spending and saving habits of financially successful women. *Millionaire Women Next Door* presents a variety of groundbreaking concepts involving the personality, lifestyle, motives, beliefs, and spending habits of economically successful American businesswomen. Most of these women report being raised in nurturing family environments. They were trained not only to succeed financially but also to be generous in giving to noble causes. Stanley asks, "How did these businesswomen become millionaires? They did it by doing more of the key activities and achieving better results than most of their male counterparts." Praise for Thomas J. Stanley's *The Millionaire Mind* "A very good book that deserves to be well read." "The Wall Street Journal" "Worth every cent . . . It's an inspiration for anyone who has ever been told that he wasn't

smart enough or good enough." Associated Press "A high IQ isn't necessarily an indicator of financial success . . . Stanley tells us that the typical millionaire had an average GPA and frugal spending habits—but good interpersonal skills." Entertainment Weekly "Ideas bigger than the next buck." Orlando Sentinel

How do the rich get rich? An updated edition of the "remarkable" New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don't live in Beverly Hills or on Park Avenue. They live next door. America's wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don't realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as "rich" are actually a tiny minority of America's truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, *The Millionaire Next Door* was a groundbreaking examination of America's rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. "Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today's earn-and-consume culture." Library Journal

From the New York Times bestselling author of *The Millionaire Next Door*, *Networking With the Affluent* explores effective tactics for strengthening relationships with wealthy prospects and clients, as well as their advisors—and generating new business among this highly exclusive target market. Networking with the wealthy is not like networking with the less-affluent. Dr. Stanley provides a proven road map for building trust, securing interest, and forging profitable relationships with wealthy audiences—including tactics for boosting your credibility and assuring continued loyalty among wealthy customers. This book is essential reading material for anyone whose target market includes the affluent.

better illuminates the who, where, and how of the affluent market than Tom Stanley. J. Arthur Urciuoli, Director of Marketing, Merrill Lynch

"Stop Acting Start Living" is the culmination of 35 years of performing and teaching experience. Acting teacher and success coach Bernard Hiller has worked with Jeff Goldblum, LL Cool J, Billy Crystal, Chace Crawford, Michelle Pfeiffer and Emilio Rivera among many others. Bernard discovered Cameron Diaz and coached her for her first big audition for "The Mask" with Jim Carrey, which launched her career. His techniques have helped change the course of lives and careers. There has never been a book available that takes the acting techniques of a Hollywood star-maker, and teaches average people how to become stars in their lives, relationships and careers. Bernard is the only coach who combines acting technique, life coaching and success training in an entirely different and unique way. Because of that Leonardo DiCaprio and other stars recommend him as the premier acting teacher in town. "Stop Acting Start Living" will not only benefit every person that reads it, but will encourage them to change the world in a profound and lasting way. This book teaches people how to wake up their brilliant, creative and powerful selves like never before. It shows them how to connect with their personal powers in a totally new and exciting way. Learning the ways to become a star is easy, and with this book you will have the tools become the star you always wanted to be. This book will teach you how to achieve any dream or goal your heart truly desires. Importantly is how to support yourself with your talents and gifts. Bernard's unique technique has helped established artists and top business people take their careers to the next level resulting in real-life rebirths. With this book you will learn how to connect to your true authentic self in a revolutionary way. First you must discover what is unique and special about you and then develop an effective plan to achieve success. Remember "The Bigger The Dream, The Better The Life."

Presents different techniques for stage and screen actors, including a new approach to acting and advice on auditioning, developing a character, and playing difficult roles.
