Scott Foresman Reading Street - Elementary Reading Comprehension Program 2008 is an all-new reading instruction program for Grades PreK-6. Reading Street is designed to help teachers build readers through motivating and engaging literature, scientifically research-based instruction, and a wealth of reliable teaching tools. The reading program takes the guesswork out of differentiating instruction with a strong emphasis on ongoing progress-monitoring and an explicit plan to help with managing small groups of students. In addition, Reading Street prioritizes skill instruction at each grade level, so teachers can be assured they will focus on the right reading skill, at the right time, and for every student.

58 color reproducible graphic organizers to help your students comprehend any book or piece of literature in a visual way. Our graphic organizers enable readers to see how ideas fit together, and can be

used to identify the strengths and weaknesses of your students' thought processes. Our graphic organizers are essential learning tools that will help your students construct meaning and understand what they are reading. They will help you observe your students' thinking process on what you read as a class, as a group, or independently, and can be used for assessment. They include: Story Maps, Plot Development, Character Webs, Predicting Outcomes, Inferencing, Foreshadowing, Characterization, Sequencing Maps, Cause-Effect Timelines, Themes, Story Summaries and Venn Diagrams.

A Boston Globe–Horn Book Honor Book Very short, creative stories pair with bold illustrations in this picture book that will inspire young readers to stretch their imaginations and write stories of their own. "One day. . . I went to school. I came home. The end," says our storyteller—a girl with a busy imagination and a thirst for adventure. The art tells a fuller tale of calamity on the way to school and an unpredictably happy ending. Each illustration in this inventive picture book captures multiple, unexpected, and funny storylines as the narrator shares her shorter-than-ever stories, ending with "One day. . . I wanted to write a book." This book demonstrates a unique approach to writing and telling stories and is a delightful gift for children as well as for teachers seeking a mentor text for their classrooms.

A unique blend of age-appropriate tracing and writing activities are combined with puzzles to make learning fun while helping kindergarteners build alphabet and handwriting skills and develop lifelong learning confidence. Identifying letters and learning to write letters and words are important steps toward reading readiness, and Highlights (TM) infuses Fun with a Purpose® into these essential learning activities. With vibrant art and engaging prompts, Writing exposes kindergarteners to letters and words
