A violent attacker is on the loose. His calling card: a tattoo on his victims' skin. With no witnesses and no evidence left at the crime scenes, it will take all of the National Crime Agency's resources to track him down. At the head of the investigation, codenamed Operation Juniper, Senior Investigator Joanne Stuart knows that the clock is ticking. The time between abductions is decreasing and the perpetrator grows ever more brazen. She fears it won't be long before his assaults turn deadly. As the hunt closes in, Jo's already troubled personal life is put under further pressure. With danger closer than she thinks, just how far will Jo go to solve the case--and at what cost?

Tattoo Culture investigates contemporary tattoo culture, its fandom and popular cultural visibility through a combination of the examination of tattooing theory, conceptual understanding and ethnographic research.

When the body of a man is discovered in woodlands outside Manchester, a ten-year missing-persons investigation can finally be filed away. But this was no ordinary death: gagged, bound and buried alive, he was the victim of a sophisticated and sadistic killer. And there is something else that has the National Crime Agency puzzled. A single character carved into a nearby tree. Newly promoted to the NCA's Behavioural Sciences Unit, Senior Investigator Joanne Stuart is determined to hunt down the perpetrator. Just as Jo's investigation begins to reveal links with other disappearances, there is another murder. This is no longer a cold case; she is dealing with the escalating violence of a chilling serial killer. Stepping into a sinister world of secrets, symbols and rituals, Jo will have to confront the legacy of her own past and the violent memories that lurk there if she is going to solve this case. But at what cost?

Living in a time when it was scandalous even to show a bit of ankle, a small number of courageous women covered their bodies in tattoos and traveled the country, performing nearly nude on carnival stages. These gutsy women spun amazing stories for captivated audiences about abductions and forced tattooing at the hands of savages, but little has been shared of their real lives. Though they spawned a cultural movement—almost a quarter of Americans now have tattoos—these women have largely faded into history. The Tattooed Lady uncovers the true stories behind these women, bringing them out of the sideshow realm and into their working class realities. Combining thorough research with more than a hundred historical photos, this updated second edition explores tattoo origins, women's history, circus lore, and includes even more personal and professional details from modern tattooed ladies. A fascinating read, The Tattooed Lady pays tribute to a group of unique and amazing women whose legacy lives on.

Can SI Joanne Stuart find the killer--before he finds her? A serial killer haunts the streets of Manchester, targeting vulnerable working girls in the dead of night. His signature: a tangled lock of hair in his victims' throats. As the body count rises, pressure mounts for the Greater Manchester Police and the National Crime Agency's Behavioural Sciences Unit. For Senior Investigator Joanne Stuart, the race is on to catch the twisted killer before he strikes again. With DCI Gordon Holmes on her back and the press following her every step, Jo will stop at nothing to bring the murderer to justice. But her separation from her partner, Abbie, is a distraction she can ill afford. As the hunt continues, will Jo be able to focus on the case or will her personal troubles have disastrous consequences? When Jo finds herself targeted by the killer, she realises that the game of cat and mouse she is playing could turn deadly...for her.
