?Glasgow Caledonian University and Waverley Books are delighted to announce the publication of a new edition of the world famous Glasgow Cookery Book. This much sought-after book is finally available again, revised and updated for 2010, the centenary year of its first publication, and this new edition has lost none of its homely charm.

How would your career, social life, family ties, carbon footprint and mental health be affected if you could not leave the city where you live? Artist Ellie Harrison sparked a fast-and-furious debate about class, capitalism, art, education and much more, when news of her year-long project The Glasgow Effect went viral at the start of 2016. Named after the term used to describe Glasgow's mysteriously poor public health and funded to the tune of £15,000 by Creative Scotland, this controversial 'durational performance' centred on a simple proposition – that the artist would refuse to travel beyond Glasgow's city limits, or use any vehicles except her bike, for a whole calendar year.
