"For sheer adventure L'Amour is in top form."—Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L'Amour's hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux. BLOOD AND ICE Majestically it rose from the icy waters, the gateway to the awesome wilderness of Alaska. Sitka drew all brand of adventurers, con men, criminals, and pioneers—men such as trail-tough, battle-hardened Jean LaBarge. He left the swamps of the Susquehanna behind for the rugged beauty—and deadly challenges—of this frozen frontier. But the empire-hungry Russians had already established a foothold in Sitka and they wouldn't give it up without a fierce and treacherous struggle that stretched from San Francisco to the palaces of St. Petersburg. Now Jean faces the most dangerous fight of his life: a fight for a passionate woman and the right to claim Alaska for America.

East Texas wasn't much of a home for Cullen Baker. Few liked him, and some even tried to kill him. Yet after three hard years of wandering, he's come back to farm the land that's rightfully his. Only Cullen's in for an unwelcome homecoming: his neighbors have long memories, the Reconstructionists have greedy hearts, and his worst enemy has teamed up with a vicious outlaw. But Cullen isn't about to back down. Instead, he's intent on perfecting a new way of gunfighting: the fast draw. And now, with enemies closing in on three sides and threatening the woman he loves, he'll have to be faster than lightning—and twice as deadly—just to survive.

It was a name that caused the most hardened gunmen to break out in a cold sweat. Chick Bowdrie. He could have ridden the outlaw trail, but the Texas Rangers recruited him because they didn't want to have to fight against him. Pursuing the most wanted men in the Southwest he knew all too well the dusty trails, the bitter cattle feuds, the desperate killers and the quiet, weather-beaten, wind-blasted towns that could explode into actions with the wrong word. He had sworn to carry out the law, but there were times when he had to apply justice with his fists and his guns. They called in the Rangers to handle the tough ones and there was never a Ranger tougher or smarter than Bowdrie.

An outlaw's legacy... In a remote corner of Utah lies the secret outlaw kingdom of Ben Curry. For fifteen years Curry has ruled supreme, as his men have pulled jobs from Canada to Mexico. But the king is getting old... he wants to turn his legacy over to someone younger, tougher. Mike Bastian is Ben's adopted son, a young man who can handle a knife, a gun, his fists, but a man who's never broken the law. Now, as treachery explodes among Ben's riders, and two honest lawmen—Tyrel Sackett and Borden Chantry—begin to zero in on the gang, Mike must choose...between his loyalty to Ben and his yearning for a different life. Yet when the guns start echoing off the Vermilion Cliffs, the time for choosing is over—and the time for battle has begun.

The first graphic novel adaptation of the work of master storyteller Louis L'Amour is a dynamic tale of the Old West that explores the borderlands of loyalty and betrayal with the emotional grittiness of a noir thriller. New Mexico, 1887, a land in the midst of the worst drought anyone can remember. Family histories and loyalties run deep, but when rancher Tom Forrester has his access to the Pecos River cut off by the son of his old partner, he convinces his foreman, Shad Marone, to pay Jud Bowman back for the discourtesy. Yet what starts as a simple act of petty revenge quickly spirals into a cycle of violence that no one can control. Now Marone is on the run, pursued by a sheriff's posse across a rugged desert landscape. Leading the chase is Jesus Lopez, a half-Mexican, half-Apache with a personal stake in bringing Shad to justice. Newly released from jail, trusted by no one, Lopez swears he's the only man who can track Marone down. That may be true. But who will live and who will die and what price will be paid in suffering are open questions. Fate and the Jornada del Muerto desert possess a harsh justice that is all their own. With a propulsive script from Beau L'Amour and Kathy Nolan, adapted by Charles Santino and illustrated in bold black-and-white by Thomas Yeates, Law of the Desert Born captures the dust and blood of Louis

L'Amour's West—a world where the difference between a hero and a villain can be as wide as the gap between an act of kindness or brutality or as narrow as a misspoken word. Praise for Law of the Desert Born “This actually may be the story's ideal form, since the author's son Beau came to realize that the core of the tale was the tense relationship between [Marone] and Lopez. . . . The graphic novel version provides room to develop this theme. Yeates's black-and-white depiction of the rugged landscape and the hard-bitten characters is superb. The result is stunning and richly textured.”—Publishers Weekly “[An] interesting tale of range rivalries turned bloody . . . Fans of L'Amour's stories should enjoy this work, adults or teens.”—Library Journal “Readers are in for a real treat—with an amazing level of detail and ambience that breathes new life into Louis L'Amour's already stunning story.”—Cowboys & Indians “A masterpiece both in story and art that complements the mood.”—It's All Comic to Me

“I am Johannes Verne, and I am not afraid.” This was the boy's mantra as he plodded through the desert alone, left to die by his vengeful grandfather. Johannes Verne was soon to be rescued by outlaws, but no one could save him from the lasting memory of his grandfather's eyes, full of impenetrable hatred. Raised in part by Indians, then befriended by a mysterious woman, Johannes grew up to become a rugged adventurer and an educated man. But even now, strengthened by the love of a golden-haired girl and well on his way to making a fortune in bustling early-day Los Angeles, the past may rise up to threaten his future once more. And this time only the ancient gods of the desert can save him.
