Hustlers, based on a true story, is about a group of strippers who suffering financially after the crash of 2008 start drugging and stealing from well-off guys. To be honest, I wouldn't have watched this if it wasn't for the fact that there weren't any films out this weekend that I was particularly jazzed about.

The Hustler belongs to that school of screen realism that allows impressive performances but defeats the basic goal of pure entertainment.

**The Hustler (1961) - Rotten Tomatoes**  
hustler (plural hustlers) One who rushes or hurries; an energetic person. Somebody who pretends to be an amateur at a game in order to win bets. A pimp. A prostitute. A male prostitute who sells his services to men. A charlatan, huckster, grifter, a scoundrel. Translations

Invitations to John Aspinall and John Burke's illegal gambling parties were the most sought after in 1950s London - only the wealthy and well-connected were allowed past their door. When the police finally arrested them, Aspinall and Burke challenged the law - and won. As a result gambling was legalised. Which interested crime boss Billy Hill and his lieutenant Bobby McKew, because suddenly clubs sprang up everywhere and Billy had a foolproof way of fixing the cards. He also had his eye on the ultimate prize, Aspinall's exclusive new club, The Clermont... Revealing for the first time how Aspinall and Hill plotted to steal a fortune, based on testimony from Burke and McKew, The Hustlers is a riotous journey back to 50s and 60s London. With a cast of characters that ranges from safecracker Eddie Chapman to the reckless Earl of Derby, from croupier Louis the Rat to unlucky Lord Lucan, it vividly recreates the exploits of the gamblers and gangsters whose lives collided in the clubs and pubs of Mayfair. 'a fascinating glimpse into a bygone world . . . when chemmy parties took London by storm and toffs were often found to be rubbing shoulders with gangsters' Daily Express

Humorous book on baseball covering such information as the sale of the Yankees to CBS, the Mets, super-stars, sportswriters, colorful old players, etc.

"If Hemingway had the passion for pool that he had for bullfighting, his hero might have been Eddie Felson" (Time). The novel that inspired the classic film starring Paul Newman and Jackie Gleason, The Hustler tells the story of Fast Eddie Felson, a young pool player who hustles suckers in small towns, looking for stake money so he can reach his goal: a marathon match in Chicago against Minnesota Fats. An exploration of guts, stamina, and character, and of the difference between winners and losers, this tense, gritty tale is "a wonderful hymn to the last true era when men of substance played pool with a vengeance" (Time Out).

The Hustler's Holy Book is the money-maker's bible. Everything a striving hustler needs to know is found within, from the definition of this way of life, to the attributes and qualities needed to acquire and discard if wishing to conquer this world of money. The book takes you back through the history of money and banking touching upon the controversies that surround these topics, before offering guidance on debt, saving, setting up a business, and economics. However, this is no ordinary book about money and finances; it has been written from a young, fresh perspective, advising its readers on how to hustle but remain conscious at the same time. The approach and style of writing of The Hustler's Holy Book will appeal to the younger reader, alluding to a revolution of people's thoughts on working in a constantly changing and competitive world. Not only is the book educational and full of knowledge, but it will leave one feeling ambitious and determined without compromising humility. This book will not provide readers with a get-rich-quick scheme like so many other books on the market, but instead, will give readers the focus to continue hustling with a greater knowledge of what this lifestyle is all about. A quote from the book says it best, "This book is a map. Its words, and the thoughts it will evoke, will lead you closer to the treasures you wish to find."

New York Times bestselling author Jefferson Bethke delivers a call to resist our cultural worship of connectivity and achievement before we lose the essentials that make us distinctly and deeply human. Our culture makes constant demands of us. Do more. Accomplish more. Buy more. Post more. And in following those demands, we have indeed become more--more anxious, more tired, more hurt, more depressed, more frantic. What we are doing isn't working because, Jefferson Bethke argues, we have forgotten the fundamentals that make us human, the things that anchor our lives, providing us with roots and meaning. In this highly anticipated new book, Jefferson Bethke delivers a wake-up call to resist our culture and embrace the slowness of Jesus. To stop doing and start becoming by proactively setting up boundaries in our lives and cultivating disciplines within them. He shows his readers how to find landmarks, anchors, and rhythms that provide depth and meaning and that push back against the demands of contemporary life. And he reveals that what the world teaches us to avoid at all costs--things such as silence, obscurity, solitude, and vulnerability--are the very things that can give us the meaning, depth, order, and the richness we are truly looking for.

T. Wilson a self taught graphic artist and designer.. starting his (t-shirt) business in his kitchen it quickly grew by word of mouth about the levels and creativity and limitlessness of his imaginative skills... after securing a corner spot in a friends computer store he begin to gain notoriety from his impressive graphic skills... after only 6 months T begin to grow and needed more space.. so he and the computer store owner decided that they would separate. They moved out and he stayed at this current location of 675 clinton avenue newark nj... and after spending over 10 years in the same location creativoulz continues to grow and excel in the business and is known through out the city of newark as the best in custom t-shirts and designs... the concept for the hustlers handbook a book basically about coming up with the right hustle for you... finding what works for you... the trial and errors and then the successes... the book was conceived one day after reminiscing about all of the other business vetures he tried before settling on this one... so he decided to interview other hustlers to see how many others were out there who shared in his same passion motivation and drive... i hope you enjoy it!

As any traveler knows, some of the best and most honest conversations take place during car rides. So, when a long-time NPR correspondent wanted to learn more about the real China, he started driving a cab--and discovered a country amid seismic political and economic change. China--America's most important competitor--is at a turning point. With economic growth slowing, Chinese people face inequality and uncertainty as their leaders tighten control at home and project power abroad. In this adventurous, original book, NPR correspondent Frank Langfitt describes how he created a free taxi service--offering rides in exchange for illuminating conversation--to go beyond the headlines and get to know a wide range of colorful, compelling characters representative of the new China. They include folks like "Beer," a slippery salesman who tries to sell Langfitt a used car; Rocky, a farm boy turned Shanghai lawyer; and Chen, who runs an underground Christian church and moves his family to America in search of a better, freer life. Blending unforgettable characters, evocative travel writing, and insightful political analysis, The Shanghai Free Taxi is a sharply observed and surprising book that will help readers make sense of the world's other superpower at this extraordinary moment.

In the Land of the Hustlers, Caudillos, and Charlatans is a collection of short stories based on actual events, historical figures, and personalities that illustrate the colorful culture and unforgettable landscape that surrounds The Dominican Republic. In his second work of fiction, Luis Reynoso shares his talent for creating an eclectic group of characters that each shares a compelling story. In the first tale, Seor Camilo is a quirky old man who chooses an antique wheelchair over one that can fly and opts out of a lonely life for the company of three women who ultimately send him on an outrageous trip out of the only world he has ever known. In another story, Amado Puelbas stares into a bottle of rum while facing a cancer diagnosis and realizes he is destined to become the thing he fears the most. While a superstitious elderly woman makes a pilgrimage to save her granddaughters life and inspires an entire nation in the process, a son recounts his fathers youthful years during the last days of his life. In this eclectic collection, Luis Reynoso speaks with an original voice through each tale that will prove endearing to all who love a short story.
