Henry loves to eat books, until he begins to feel quite ill and decides that maybe he could do something else with the books he has been devouring.

The New York Times Best Illustrated Picture Book, now in an oversized trim for added value and fun! The Hueys are small and mischievous, unique compared to the world's other creatures—but hardly unique to one another. You see, each Huey looks the same, thinks the same, and does the same exact things. So you can imagine the chaos when one of them has the idea of knitting a sweater! It seems like a good idea at the time--he is quite proud of it, in fact--but it does make him different from the others. So the rest of the Hueys, in turn, decide that they want to be different too! How? By knitting the exact same sweater, of course! The first in a series of child-friendly concept books by the #1 bestselling artist of The Day the Crayons Quit, How to Catch a Star, Stuck, and This Moose Belongs to Me, The New Sweater proves that standing apart can be accomplished even when standing together.

Some rabbits dream about lettuce and carrots, others dream of flowering meadows and juicy dandelions, but Rally dreams only of books. In fact, he doesn't just dream about them, he wants to read them ALL THE TIME. Soon his obsession sends him spiralling into a life of crime! A wonderfully funny story from a talented new author/illustrator. Brilliantly read by Lenny Henry. From the illustrator of the #1 smash hit The Day the Crayons Quit comes the age-old tale of a boy and his moose... Wilfred is a boy with rules. He lives a very orderly life. It's fortunate, then, that he has a pet who abides by rules, such as not making noise while Wilfred educates him on his record collection. There is, however, one rule that Wilfred's pet has difficulty following: Going whichever way Wilfred wants to go. Perhaps this is because Wilfred's pet doesn't quite realize that he belongs to anyone. A moose can be obstinate in such ways. Fortunately, the two manage to work out a compromise. Let's just say it involves apples. Oliver Jeffers, the bestselling creator of Stuck and The Incredible Book Eating Boy, delivers another deceptively simple book sure to make kids giggle.

From the illustrator of the #1 smash hit The Day the Crayons Quit comes a whodunnit just right for the youngest of readers (not to mention instructions for how to build the perfect paper airplane!) The animals? homes are disappearing. Tree by tree, the forest is being cut down. Clues! There must be clues. For instance, look--there is a mysterious bear carrying an ax! But what would a bear want with so many trees? Perhaps the discarded paper airplanes littering the forest floor have a story to tell? Oliver Jeffers' quirky, childlike humor and lovable illustrations are in full effect in this funny whodunit featuring a winning cast of animals and a message about the importance of conservation and recycling.

From the illustrator of the #1 smash The Day the Crayons Quit comes another bestseller--a giggle-inducing tale of everything tossed, thrown, and hurled in order to free a kite! When Floyd's kite gets stuck in a tree, he's determined to get it out. But how? Well, by knocking it down with his shoe, of course. But strangely enough, it too gets stuck. And the only logical course of action... is to throw his other shoe. Only now it's stuck! Surely there must be something he can use to get his kite unstuck. An orangutan? A boat? His front door? Yes, yes, and yes. And that's only the beginning. Stuck is Oliver Jeffers' most absurdly funny story since The Incredible Book-Eating Boy. Childlike in concept and vibrantly illustrated as only Oliver Jeffers could, here is a picture book worth rescuing from any tree.
