It's summer in Memphis. The sweat is sticking to Rudy Baylor's shirt and creditors are nipping at his heels. Once he had aspirations of breezing through law school and punching his ticket to the good life. Now he doesn't have a job or a prayer...except for one: an insurance dispute that leaves a family devastated and opens the door for a lawsuit, if Rudy can find a way to file it. By the time Rudy gets to court, a heavyweight corporate defense team is there to meet him. And suddenly he's in over his head, plunged into a nightmare

of lies and legal maneuverings. A case that started small is exploding into a thunderous million-dollar war of nerves, skill and outright violence--a fight that could cost one young lawyer his life, or turn him into the biggest rainmaker in the land... **BONUS:** This edition includes an excerpt from John Grisham's *The Litigators*.

A confidence man, hired by a south-western rancher to produce rain within twenty-four hours for a drought-stricken farming area, brings hope and faith into the barren life of the rancher's frustrated daughter, who seems destined for spinsterhood in spite of her family's efforts to find her a husband.

"Rudy Baylor, an inexperienced law student, is asked by Dot and Bud Black to help them in their fight against a powerful insurance company. Their son, Donny Ray, is dying, but his claim for medical insurance has been refused. Can Rudy really give them any hope? Will justice be done?"--Back cover.

The belief that rainmakers bring rain is a superstition, but they are able to create cohesion. Kühl describes how the rainmaker effect works in the model of the learning organization. Many of the modern management principles that are billed as formulas for success fail to deliver on their promises. However, they do have other beneficial effects.
