*The Successful Author Mindset: A Handbook for Surviving the Writer's Journey* (Books for Writers): Amazon.co.uk: Penn, Joanna: 9781533676603: Books. £7.99.

Being a writer is not just about typing. It's also about surviving the rollercoaster of the creative journey. Self-doubt, fear of failure, the need for validation, perfectionism, writer's block, comparisonitis, overwhelm, and much more. When you're going through these things, it can feel like you're alone. But actually, they are part of the creative process, and every author goes through them too. This book collects the mindset issues that writers experience, that I have been through myself over the last nine years, and that perhaps you will experience at different times on the creative journey. Each small chapter tackles a possible issue and then offers an antidote, so that you can dip in and out over time. It includes excerpts from my own personal journals as well as quotes from well-known writers. I hope it helps you on the road to becoming a successful author.

book collects the mindset issues that writers experience, that I have been through myself over the last ten years and that perhaps you will experience at different times on the creative journey. Each small chapter tackles a possible issue and then offers an antidote, so that you can dip in and out over time. It includes excerpts from my own personal journals as well as quotes from well-known writers. I hope it helps you on the road to becoming a successful author. The book includes: Part 1: Mindset Aspects of Creativity and Writing Self-doubt and imposter syndrome Need for validation Fear of failure Fear of rejection and criticism Your inner critic Fear of judgment Perfectionism Writer's block and procrastination "I'm not creative. I don't have any ideas" "My writing isn't original" "Why write? There are too many books in the world already" "I don't have the time or self-discipline to write" "I'm not finding writing much fun. It's hard work." "I keep starting things and not finishing them" Dealing with friends, family and writer's groups "How do I find my voice?" Comparisonitis or "Everyone is better than me" Part 2: Mindset Aspects after Publishing Anti-climax and creative dissatisfaction What is your definition of success? What happens when you tell people that you're an author? "I'm overwhelmed" Dealing with fans, authenticity and drawing the line Haters gonna hate Ambition, fame and fortune Giving up Part 3: Tips for Success on the Author Journey Know thyself Understand and hone your creative process Develop professional habits Manage professional relationships Take control of your writing career Find your community Keep learning Schedule rest and take time off Think long term. Create a body of work

Being a writer is not just about typing. It's also about surviving the roller-coaster of the creative journey. Self-doubt, fear of failure, the need for validation, perfectionism, writer's block, comparisonitis, overwhelm, and much more. When you're going through these things, it can feel like you're alone. But actually, they are part of the creative process, and every author goes through them too. This book collects the mindset issues that writers experience, that I have been through myself over the last nine years, and that perhaps you will experience at different times on the creative journey. This WORKBOOK edition has places for you to write your answers to the questions inside. Each small chapter tackles a possible issue and then offers an antidote, so that you can dip in and out over time. It includes excerpts from my own personal journals as well as quotes from well-known writers. I hope it helps you on the road to becoming a successful author.

You are an author! I know it might not feel like that right now, but over the next 90 days, you're going to live up to that title and be able to shout from the rooftops... "I AM an Author!" But first, you've got a bit of work to do... We need to deal with Neville. He's pretty annoying. He's always filling your head with negative thoughts, worrying about whether anyone will read your book, whether you're good enough to write a book, or whether you should tell anyone that you're planning to write a book. Neville is your ego. He's the one voice you hear the loudest most days and he's the one that stops you from living your dreams. It's time to tell Neville to suck it! This book is for the budding author who wants to just get this book DONE. To stop the procrastination and finally be able to say, "I wrote a book!" Inside I AM An Author, you'll learn: The best strategies for dealing with Neville How to make sure your book will get read How to get your book written within 90 days What success

## Read Book *The Successful Author Mindset A Handbook For Surviving The Writers Journey*

habits will help move you closer to being an author Plus a lot more! Stop Neville in his tracks and take back control. You can write a book, you should write a book, and if you read this book... you WILL write a book! Inspire and connect with your readers in a way you never thought possible. Become an author in the next 90 days. You know you're ready. Take the next step. Scroll to the top and click or tap "buy now" and come join me as we take this author journey together.

Are you ready to take the next step in your author journey? Art for the sake of art is important. Writing for the love of it, or to create something beautiful on the page, is absolutely worthwhile and critical to expand the sum of human expression. But I'm not here to talk about creativity or the craft of writing in this book. My aim is to take the result of your creativity into the realm of actually paying the bills. To take you from being an author to running a business as an author. I was a business consultant for 13 years before I gave up my job in September 2011 to become a full-time author-entrepreneur. I worked for large corporates and small businesses, implementing financial systems across Europe and Asia Pacific. I've also started a number of my own businesses "" a scuba dive charter boat in New Zealand, a customized travel website, a property investment portfolio in Australia as well as my freelance consultancy. I've failed a lot and learned many lessons in my entrepreneurial life and I share them all in this book. In the last six years of being an author, through tempestuous changes in the publishing world, I've learned the business side of being a writer and I now earn a good living as an author-entrepreneur. I'm an author because it's my passion and my joy but also because it's a viable business in this age of global and digital opportunity. In the book, you will learn: Part 1: From Author To Entrepreneur The arc of the author's journey, definition of an author-entrepreneur, deciding on your definition of success. Plus/ should you start a company? Part 2: Products and Services How you can turn one manuscript into multiple streams of income by exploiting all the different rights, various business models for authors and how to evaluate them, information on contracts, copyright and piracy. Plus/ putting together a production plan. Part 3: Employees, Suppliers and Contractors The team you need to run your business. Your role as author and what you're committing to, as well as co-writing. Editors, agents and publishers, translators, book designers and formatters, audiobook narrators, book-keeping and accounting, virtual assistants. Plus/ how to manage your team. Part 4: Customers In-depth questions to help you understand who your customers are and what they want, as well as customer service options for authors. Part 5: Sales and Distribution How to sell through distributors and your options, plus all the information you need to sell direct. ISBNs and publishing imprints "" do you need them? Plus/ your options for pricing. Part 6: Marketing Key overarching marketing concepts. Book-based marketing including cover, back copy and sales pages on the distributors. Author-based marketing around building your platform, and customer-based marketing around your niche audience and targeted media. Part 7: Financials Revenues of the author business and how to increase that revenue. Costs of the author business and funding your startup. Banking, PayPal, accounting, reporting, tax and estate planning. Part 8: Strategy and Planning Developing your strategy and business plan. Managing your time and developing professional habits. The long-term view and the process for becoming a full-time author. Plus/ looking after yourself. Part 9: Next Steps Questions from the book to help you work out everything to do with your business, plus encouragement for your next steps. Appendices, Workbook and Bonus Downloads including a

workbook and business plan template. If you want to go from being an author to running a business as an author, download a sample or buy now.

Do you want to successfully self-publish in ebook, print or audiobook formats? There are thousands of new books being published every day, but many self-published books quickly sink to the bottom of the pile. Many authors are frustrated because there are so many options for self-publishing, and they don't know which one to choose or what will be best for their book. Others spend thousands of dollars to publish and end up broken-hearted with the result. But it doesn't have to be this way. I've spent the last ten years self-publishing bestselling fiction and non-fiction books and in 2011, I left my day job to become a full-time author-entrepreneur. I've made lots of mistakes along the way, but through the process of self-publishing 27 books, I've learned the most effective way to publish and market your books. In this book, I'll share everything with you. The book includes: - What you need to know before you self-publish - Why self-publishing an ebook is a good idea - How to format an ebook - Exclusivity and going direct - How to self-publish an ebook - Why self-publish a print book - Print-on-demand will change your life - What you need to know before you print - How to self-publish a print book - What to do if you want help with the publishing process - How to self-publish an audiobook - After self-publishing - How much does it cost to self-publish? - How do you get paid when you self-publish? - Book marketing principles - How to market fiction - How to market non-fiction Plus, links to more useful resources. If you're ready to successfully self-publish, then download a sample or buy now.

Why are some authors more successful than others? It's no coincidence that the word authority contains the word author. Capturing your ideas, wrap meaningful stories around them and publish is a great formula for business success. Writing a book is one of the most powerful business tools to progress your career, attract great clients and have a powerful impact on your community. But why are some authors more successful than others? This book outlines 16 strategies that Million Dollar Authors use to succeed. They flip the traditional road to publishing using these strategies. Author and entrepreneur, Brett Odgers shares his framework for publishing and business success.

Reveals how established attitudes affect all aspects of one's life, explains the differences between fixed and growth mindsets, and stresses the need to be open to change in order to achieve fulfillment and success.
