The new trader's guide to the business, psychology, and hype in trading *The Trader's Pendulum + Website* is the ultimate toolkit for realizing your trading potential. Written by one of North America's leading trading coaches, this guide is designed to show aspiring traders how to design and implement a successful trading strategy by learning the psychological tricks behind solid trading philosophies. New and experienced traders alike will find value in *The 10 Habits of Successful Traders*, and come away equipped to navigate the real-life emotional-psychological effects of market chaos. You'll learn to embrace change and risk, and use it to your benefit as you climb out of the technical trap and stop riding the *Trader's Pendulum* between fear and greed. Based on the author's Elliott Wave and Harmonics expertise, this invaluable guide brings you a top-down approach to the market to help you maximize profit and minimize poor choices. The companion website gives you access to an interactive *Trader's Scorecard*, models for your 'business' and trading plan, *The Trading Blotter*, and a video synopsis of the all-important 10 habits. Today's global economy has forced people to search for a second cash flow stream to replace or supplement a primary income. It is more important than ever to have a reliable guide at your side, and this book gives you guidance and so much more. Develop and follow a successful trading system. Make more money while saving time and effort. Treat trading like a business for lasting success. Use change and risk to your benefit. Stop chasing trends and listening to widely disseminated bad advice. *The Trader's Pendulum + Website* is more than a guide—it's advice, examples, models, and more, giving you a practical roadmap to your online trading success.
