This is a highly prophetic book from the pen of a globally respected prophet. The book undertakes an incisive analysis of the present day dilemma as far as the thermometer of spiritual vitality is concerned. The author posits that it is either holy madness or horrible disgrace. This is a challenge to our generation. Dr. Daniel Olukoya has, in the pages of this book, spoken passionately to a generation that is fast missing out on the cutting edge of spiritual currency. The pages of *Holy Madness or Horrible Disgrace* sound an alarm to the careless, warn the lukewarm and awake the dying conscience of believers who have lost touch with divine reality. This book will introduce far reaching changes into your life. The content will challenge you to reject every form of disgrace.
