Sono nato per essere un re, ma non mi sono piegato al mio destino. Mi sono impegnato per guadagnare quel privilegio. Ho combattuto per essere il migliore. In quella lotta la mente sempre stata la mia arma pi affilata, il cuore un ostacolo da eliminare. Ho vinto. Ogni guerra, tuttavia, ha i suoi costi, e io ho commesso un errore che ha distrutto la mia famiglia. Da allora le mie notti sono turbate dagli incubi, i miei giorni avvelenati dal pentimento e dal rancore. Ora, per, ho finalmente la possibilit di conquistare la pace. La donna che mi ha rovinato la vita tornata dal passato in cerca di protezione. Ha trovato la morte. Ma la morte un dono da concedere ai giusti, la vendetta la condanna dei traditori. Mariana Hernndez pagher per ogni suo peccato, implorer la salvezza e invocher la sua fine. Non avr piet, perch in me non c' un briciolo di misericordia. Perch non conosco perdono. Scender all'inferno pur di farmi giustizia. E Mariana verr con me. \*\*\*Attenzione\*\*\* Il romanzo contiene scene di sesso esplicite e tratta contenuti delicati. Se ne consiglia la lettura a un pubblico adulto e consapevole. Men of Honor una serie di romanzi AUTOCONCLUSIVI. La serie MAN of HONOR cos composta: 1 - Nikolaj 1.5 - Izabella 2 - Vincent 3 - Vasilij (estate 2018)

Earl St. Vincent was not only an excellent administrator, a fine sailor and undaunted defender of the Royal Navy. He was also eclipsed in the tomes of history by his more famous protégé, Lord Nelson. Sir John Jervis had served for many years with distinction before Nelson's birth; defending Jamaica from privateers and pirates, distinguishing himself during the Seven Years war and War of American Independence. This two-volume biography by Captain Brenton, a contemporary (albeit junior) of both naval heroes, goes some way to fixing the void in the record of Earl St Vincent. The biography includes much of the original documentation and letters of the period when the invasion of the British isles was a real possibility as the French and Spanish turned from enemies to allies and joined their naval might together. At that time Sir John Jervis was in command of squadrons in the Channel, as he had been beforehand in the Mediterranean, enforcing a blockade that strangled the commerce of Spain and France. During those times that ships escaped port, Jervis and his subordinates hunted them without mercy, the most striking example being the battle of St. Vincent. Although outnumbered by his Spanish opponents, Sir John led fifteen of his ships on. The following anecdote is told of the initial contact before the battle: "there are eight sail of the line, Sir John" "Very well, sir" "There are twenty sail of the line, Sir John" "Very well, sir" "There are twenty seven sail of the line, Sir John" "Enough, sir, no more of that; the die is cast, and if there are fifty sail I will go through them" His entry in the Oxford Dictionary of National Biography states that – "His importance lies in his being the organizer of victories; the creator of well-equipped, highly efficient fleets; and in training a school of officers as professional, energetic, and devoted to the service as himself." An excellent and detailed read. Author – Captain Edward Pelham Brenton R.N. (1770-1844)

Louis XIV was a man in pursuit of glory. Not content to be the ruler of a world power, he wanted the power to rule the world. And, for a time, he came tantalizingly close. Philip Mansel's King of the World is the most comprehensive and up-to-date biography in English of this hypnotic, flawed figure who continues to captivate our attention. This lively work takes Louis outside Versailles and shows the true extent of his global ambitions, with stops in London, Madrid, Constantinople, Bangkok, and beyond. We witness the importance of his alliance with the Spanish crown and his success in securing Spain for his descendants, his enmity with England, and his relations with the rest of Europe, as well as Asia, Africa, and the Americas. We also see the king's effect on the two great global diasporas of Huguenots and Jacobites, and their influence on him as he failed in his brutal attempts to stop Protestants from leaving France. Along the way, we are enveloped in the splendor of Louis's court and the fascinating cast of characters who prostrated and plotted within it. King of the World is exceptionally researched, drawing on international archives and incorporating sources who knew the king intimately, including the newly released correspondence of Louis's second wife, Madame de Maintenon. Mansel's narrative flair is a perfect match for this grand figure, and he brings the Sun King's world to vivid life. This is a global biography of a global king, whose power was extensive but also limited by laws and circumstances, and whose interests and ambitions stretched far beyond his homeland. Through it all, we watch Louis XIV progressively turn from a dazzling, attractive young king to a belligerent reactionary who sets France on the path to 1789. It is a convincing and compelling portrait of a man who, three hundred years after his death, still epitomizes the idea of le grand monarque.

The Abbey of St. Victor, from which the great Latin hymnologist takes his name, and which, originally, was in the suburbs of Paris, was later on absorbed into the city itself, as she enlarged her borders, was celebrated, especially in the twelfth century, as a school of theology. Probably no other religious foundation could boast of such a brilliant triad of doctors of divinity, as the one that graced this Abbey during that century in the persons of Hugh of St. Victor, known to his generation as the "Second Augustine;" his pupil, Richard of St. Victor, named Alter Augustine; and Adam of St. Victor, the author of the Sequences in these volumes, who, as will be apparent to the most cursory reader was even deeply versed in the learning of the school to which he belonged.

A comprehensive history of America's highest award for military valor. The Medal of Honor chronicles the creation, evolution, and awarding of the Medal, from the battlefields of the Civil War to the jungles of Vietnam, through a wealth of illustrations and hundreds of authoritative, action-filled accounts of heroism in America's conflicts. This wonderfully detailed and beautifully designed history book puts the Medal and its recipients into the context of their times, with brief and accessible introductions explaining each war and conflict for which the Medal was awarded. It also includes photo essays, intriguing stories of the Medal's sometimes quirky personalities, effects on surviving recipients, and the Medal's preeminent place in the American story. Whether you're an avid reader on the history of the Medal of Honor or simply intrigued by its place in our history, you're certain to want to flip through the pages of The Medal of Honor again and again.
