In Candid Conversations with Broadway Pros, Producer Ken Davenport sits down to talk with professionals from the theater industry to get their perspective on the Great White Way.

Welcome to Candid Conversations with Connie, Volume 2! And these conversations are going to be very candid. In this book we're only taking questions from girls! Yep, they can ask

Get Free Volume 2 Candid Interviews With 15 Lifestyle S

whatever they want, and I will answer from my vast knowledge and experience. (Well . . . maybe not vast.) If I don't know the answer, I'll ask my friend Penny. We've been where you are, and we know what it's like. You're not a little girl anymore, but you're still years off from adulthood. You still like to play, but you also enjoy having long conversations with friends. You sometimes want to cuddle on your mom's lap, and other times you wish she would just leave you alone. All that's pretty normal, and you'll see that from the questions we're answering.

Connie Kendall and other characters from the program "Adventures in Odyssey" provide answers from a Christian perspective to girls' questions about popularity, feelings about boys, and fitting in.

'Submissive Volume 2', is a must read for any women considering exploring their submissive side. This book goes places that will surprise some and possibly shock others-as it is never anything less than candid. The 15 selected interviews here were conducted over a 10-year period, by the BDSM magazine publisher and writer, Roy Turner and offer a full, frank and totally unique insight into the real world of the lifestyle submissive. It certainly isn't some E L James 'Fifty Shades of Grey' or Nancy Friday 'My Secret Garden', etc fantasy-fest, what it does show is that those stereotypes-if they exist at all, are just not at all representative of the experiences related here. Like her male counterpart, the submissive female comes in all types; she can quite often be a highly successful career woman in 'real' life that simply craves the occasional release from responsibility that comes through role-play, or a women who throws herself headlong into the lifestyle 100%. There was also a tendency to separate 'Husbands/Lovers' from 'Masters' and carry on a double-life either with or without their partner's knowledge or consent. But there is also a much darker side too that is not found so much in the male submissive; a truly dangerous area that some women willingly step into. These women certainly 'walk the talk'; whether it is extreme role-play, slave training, pony-girl, enforced servitude and prostitution, abduction or even kidnapping. Consequently, some of the experiences related here could be considered extremely shocking and genuinely disturbing. It's definitely not one for the faint-hearted! For many interviewees, the need for domination had its roots, not surprisingly, in childhood. An authoritarian, even brutal, father-who went way beyond the occasional spanking, etc, started a trend, which they sought to recreate in future relationships. But other subjects found themselves instinctively drawn to it for reasons less explicable, certainly not out of diminished self-esteem or anything that obvious. In many of the stories told, the division between controlled and controller becomes blurred, in other words, the so-called submissive is actually directing the scenario. By far the most popular and powerful scenario for most women was the idea of being used by two or more men, total humiliation and degradation often being the key driver. Take a peak and use the 'Look Inside', feature and get to read a free sample of the book... Publisher's Note: This eBook contains explicit sexual content, graphic language, and situations that some readers may find objectionable. It is intended for an adult audience.

Welcome to Candid Conversations with Connie! And these conversations are going to be very candid. In this book we're only taking questions from girls! Yep, they can ask whatever they want, and I will answer from my vast knowledge and experience. (Well . . . maybe not vast.) If I don't know the answer, I'll ask my friend Penny. We've been where you are, and we know what it's like. You're not a little girl anymore, but you're still years off from adulthood. Hi, I'm a film director / writer / producer and publisher. I've published SPFX (Special Effects Magazine) since 1976. Over the past 45 years I've been collecting candid, behind the scenes photos from science-fiction and horror films. I figured it's time to put some of this collection into a few books. Welcome to Volume 2 of CANDID MONSTERS in fantastic COLOR! In this Volume you'll find interviews with Robert (Day the Earth Stood Still) Wise, Edmond H. North (Day the Earth Stood Still screenwriter) and George (War Of the Worlds) Pal. Also actors Ann (War Of the Worlds) Robinson, and Creature From the Black Lagoon/Revenge Of the Creature stars Julie Adams, Ricou Browning, Lori Nelson and Julie Adams underwater stand-in, Ginger Stanley. Also: Feature article on Bob Burns finding the original Time Machine!

Lights, camera, action! Connie Kendall is at it again in this third volume in her advice series, doling out her sage-yet-witty wisdom to girls everywhere. Straight from her radio show aptly titled Candid Conversations with Connie, Connie helps girls explore their true beauty, the good and bad of media and technology, and more through unique activities. Known for making a great Whit's End Wod-Fam-Choc-Sod and never being afraid to tell you what she's thinking, Connie shares with girls her growing-up experiences in a fun, honest way!

In his eight years as president from 1945-1953, Harry S. Truman made some of the most important decisions in U.S. history, particularly in foreign policy matters. This book contains transcripts of conversations with Truman from taped interviews in 1959. The probing questions and straightforward answers cover a wide variety of domestic and foreign policy issues ranging from civil rights in the South to using the atomic bomb on Japan. This book provides a vivid portrait of Truman, 'warts and all.' Through his answers to questions, the threads of his political loyalty, bluntness, frustration, decency, thrift, humanity, and humor become a tapestry of his presidential character. His intense pride and manner surface especially as he explains bitter political and domestic controversies, as well as foreign policy decisions. These interviews reveal Truman's bedrock foundation of deeply held political beliefs as he gives thoughtful answers to queries about major political issues. In addition, he discusses American presidential history; Congressmen such as Sam Rayburn and Lyndon Johnson; Supreme Court Justices; and dozens of other well-known political leaders, including Dwight D. Eisenhower, Adlai Stevenson, and John F. Kennedy. In similar fashion, he describes numerous foreign leaders, including Joseph Stalin, Adolf Hitler, Benito Mussolini, Winston Churchill, and Chiang Kai-Shek. Evident as well is his firm loyalty to the United States, his family, his friends, and the Democratic Party. Truman also divulges some of his personal dislikes, particularly of political opponents such as Richard M. Nixon and, for over a decade after 1952, Dwight D. Eisenhower. However, his personal resentments are more than matched by his fair-minded judgments of former President Herbert Hoover, American farmers, laborers, and racial groups. Discovered by Ralph Weber at the Harry S. Truman Presidential Library, the interviews were originally to be used as background for Truman's book, Mr. Citizen (1960), but most of Truman's obs

From 1970 onwards the disbanded Beatles were at last free to follow their individual interests. From that point on there were four separate stories... but they were stories that would form a complex overlapping history of quarrels and reconciliations, personal projects and sporadic collaborations. For the first time ever, a noted Beatles expert has meticulously documented the entire period of The Beatles after the break-up.

Hi, I'm a film director / writer / producer and publisher. I've published SPFX (Special Effects Magazine) since 1976. Over the past 45 years I've been collecting candid, behind the scenes photos from science-fiction and horror films. I figured it's time to put some of this collection in a
